Dartmouth College
Recognizes With Deep Appreciation
The Extraordinary Achievements of

The Class of 1966

Recipient of the 2010-2011

**Honorable Mention, Classes 26 years and older
In Recognition of an Outstanding Mini-Reunion Program**

The Mini-Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini-reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

It is therefore our honor and pleasure to recognize and thank the Class of 1966 for an outstanding mini-reunion program during 2010-2011. Your 13 mini-reunions crossed the spectrum of events – highlighted by your 4th annual 66th Night celebration in an impressive 10 cities. Other events include your 6th annual ski trip, Homecoming celebration, and events with current students. In recognition of your continued tradition of outstanding events, we are proud to recognize you as Honorable Mention for Mini-Reunion Program of the Year for classes 26 years and older.
