Are we covered under the Alumni Organizations Liability policy if we serve alcohol at an Alumni Organization event?

- First and foremost you must comply with all local, state and federal laws and regulations pertaining to the serving of alcohol. Note: numerous states require liquor licenses in order to host and serve alcohol at a social gathering, even if you are not charging for the alcohol, so please be sure to check all laws prior to organizing an event.

- We recommend that alcoholic beverages be served by a hired, qualified and insured third-party alcohol server.
- The Alumni Organizations Liability policies do include host liquor liability coverage. Host liquor liability provides coverage for liquor liability claims against social hosts, meaning people who serve alcohol in a social setting. This insurance is primary to other insurance that is available to an insured under a Homeowners Policy.

The premium cost of any endorsement will be borne in full by the organization making the request.
