U.S./Holguín, Cuba/Santiago de Cuba - Day 1
Depart the U.S. Upon arrival in Holguín, meet your host and begin your immersion into Cuban daily life. Transfer to Santiago de Cuba and embark LE PONANT.

Enjoy the Captain’s Welcome Reception this evening.

PEOPLE-TO-PEOPLE CULTURAL ENRICHMENT:
◆ Visit the La Granja La Cieba near Holguín to meet a multigenerational family living and working at the farm and enjoy a light lunch.

Welcome to the vivacious and remarkable island of Cuba, where history is rich, and exploration, discovery and tenacity run deep through a culture steeped in a blend of European, African and Asian influences. When Christopher Columbus first landed in Cuba in 1492, he was met by the indigenous Taíno peoples. Diego Velázquez de Cuéllar followed on Columbus’ second voyage and settled the tropical island. During the heyday of seafaring pirates, it became a smuggler’s haven, and even slavery during the early 1800s’ sugarcane industry boom left its own indelible mark. Cuba is lively and artistic, and its residents are among the most charming and welcoming people in the world. During this specially designed itinerary spanning Cuba by land and by sea, learn the secrets of their proud country through exclusive PEOPLE-TO-PEOPLE CULTURAL ENRICHMENTS:

◆ Hear it from the Experts! An experienced, English-speaking Cuban host will accompany you throughout the program and discuss historical, cultural and contemporary Cuba. Interact with lifelong residents and local experts including musicians, artists, farmers and academics.

◆ Savor authentic Cuban cuisine in family-operated paladares—privately owned, in-home restaurants.

◆ Learn more about preservation efforts in Old Havana, tobacco and organic farming in the Viñales Valley and Cuba’s social welfare system in Santa Clara.

On the panoramic city tour of Santiago de Cuba, see Céspedes Park including historic City Hall, where Fidel Castro announced victory of the Cuban Revolution in 1959, and 15th-century Casa de Diego Velázquez, the oldest standing house in Cuba.

Visit the expansive Cementerio Santa Ifigenia, the grandiose final resting place of former president Fidel Castro; Cuban national hero and important Latin American literature figure José Martí; Emilio Bacardí Moreau, known for his namesake rum; and Compay Segundo, guitarist of the Buena Vista Social Club.

See the original Bacardí rum factory, first opened in 1868, and enjoy a traditional Cuban rum tasting.
Visit the UNESCO World Heritage-designated Castillo San Pedro de la Roca (El Morro), a 17th-century fortress built to protect the important port of Santiago de Cuba Bay. In the lush Jardín de los Helechos, walk among over 350 species of ferns and 90 types of orchids. View imposing Revolution Square and historic San Juan Hill, a pivotal site during the Spanish-American War.

**People-to-People Cultural Enrichments:**
- Enjoy a colorful performance and tour at the Casa de la Trova, a vibrant, multifaceted institute that celebrates Afro-Cuban music, dance and culture.
- Tour the Basílica de Nuestra Señora del Cobre and visit La Virgen de la Caridad (Our Lady of Charity), the patron saint of Cuba, a brilliant shrine and Cuba's most sacred pilgrimage site which Pope Francis visited. Interact with Cuban pilgrims, and hear the captivating legend behind this revered shrine.
- Enjoy a performance by a female Cuban vocal quartet.

**Cruising the Caribbean Sea - Day 4**
Enjoy onboard discussions and time at leisure while cruising the Caribbean Sea.

**Trinidad - Day 5**
Developed from the wealth of the sugar industry in the 19th century, UNESCO World Heritage-designated Trinidad retains much of its colonial charm, with terra-cotta tiled roofs, pastel-hued houses, cobblestone streets and ornate tiled courtyards. Walk through 18th-century Plaza Mayor and visit the neoclassical Palacio Cantero, showcasing the history of Trinidad's residents.

Attend the Captain's Farewell Reception on board this evening.

**People-to-People Cultural Enrichments:**
- Enjoy lively rumba and salsa performances at the Palenque de los Congos Reales, an outdoor music center devoted to traditional Cuban music and dancing.
- Visit the authentic Casa Chichi, a multigenerational pottery workshop established in 1892 that still uses clay sourced from Cuba's caves.

**Cienfuegos for Santa Clara - Day 6**
Known as the “Pearl of the South,” the UNESCO World Heritage-designated colonial harbor city of Cienfuegos was founded in 1819 by French settlers from Louisiana and Bordeaux while located in a Spanish territory, which has made for a fascinating blend of history and local culture today. This morning, visit the eclectic Teatro Tomás Terry, which hosted its first opera in 1890.

From Cienfuegos, travel to Santa Clara, the gateway to Cuba’s historically and agriculturally rich central region. Long associated with Ernesto “Che” Guevara, Santa Clara has been shaped by the most prestigious university outside Havana and features one of the country’s most spectacular grand colonial theaters. See the beautiful Teatro La Caridad, constructed in 1885 and one of the Eight Grand Theaters of the Cuban Colonial era, where famed musicians such as Enrico Caruso once performed. See the impressive Che Guevara Monument and walk through the comprehensive History Museum of the Revolution.

**People-to-People Cultural Enrichments:**

**Cienfuegos/Havana - Day 7**
Disembark this morning in Cienfuegos. Once a trading port for sugar cane, coffee and tobacco, the city was built in a neoclassical style from the wealth of these industries, and its original grid layout plan is an incredible example of early urban planning. En route to Havana, visit Finca Vigía, the former home of Ernest Hemingway, affectionately called “Papa” by locals. Here, he wrote The Old Man and the Sea, based on a local fisherman, and For Whom the Bell Tolls.

Accommodations for four nights are in the MELÍA HABANA HOTEL.

**People-to-People Cultural Enrichment:**
- Enjoy lunch in a local paladar.

**Havana - Day 8**
Cuba’s capital of Havana retains a distinctly vintage feel bolstered by the prevalence of the Basílica de Nuestra Señora del Cobre, located just outside of Santiago de Cuba, is Cuba’s most sacred religious pilgrimage site.
1950s American-made automobiles fondly called "Yank tanks" by the locals who painstakingly maintain them.

Cruise along in a private, antique American-made car on the Malecón in Old Havana to the Spanish colonial core of Habana Vieja, a UNESCO World Heritage site. This colorful neighborhood of winding cobblestone streets, pastel-hued houses and picturesque squares is filled with architectural beauty, including Plaza de Armas, the site where San Cristóbal de la Habana was founded in 1514.

Visit the downtown district of Vedado, a fascinating mix of old and new. See the University of Havana, the pre-revolutionary Capitolio reminiscent of the U.S. Capitol, the iconic Malecón (oceanfront promenade) and the legendary Hotel Nacional de Cuba.

See Revolution Square, where Castro gave his famous hours-long May Day speeches.

**PEOPLE-TO-PEOPLE CULTURAL ENRICHMENTS:**
- See an invigorating performance by dance and percussion group Habana Compás.
- Enjoy a walk through Old Havana with a focus on the preservation and evolution of art and architecture.
- Enjoy lunch and dinner each in local paladares.

**Havana/Pinar del Río and Viñales Valley - Day 9**

The striking Viñales Valley in Cuba's westernmost province of Pinar del Río is designated a UNESCO World Heritage site. Known for its natural beauty, the valley is a much-photographed 270-square-mile plain surrounded by limestone karst hills called mogotes. The farmland here is among Cuba's richest, and the ancient agricultural practices produce robust coffee and some of the world's best tobacco, products central to Cuban history and identity.
