Dear Alumni, Parents, and Friends of Dartmouth:

Travel with us on this incredible journey to experience the wonders of four nations in southern Africa, where nature’s spectacle is at its most dramatic, history is rich, culture is diverse and the “Big Five” game viewing in pristine natural habitats is extraordinary. Witness the remarkable achievements of the young nations of Namibia and Botswana, unique in their way of life and home to one of the densest game populations on the planet; walk in the footsteps of Nelson Mandela in South Africa; and behold the majestic natural beauty of Zimbabwe’s incomparable Victoria Falls—one of the Seven Natural Wonders of the World.

Few experiences can match this exclusive, in-depth itinerary and exciting, once-in-a-lifetime opportunity to travel the breadth of southern Africa. On Namibia’s legendary Chobe River, enjoy a three-night river safari featuring naturalist-guided excursions by small watercraft—a fantastic perspective from which to observe the magnificent wildlife gathering along the banks of the Chobe—with accommodations aboard the exclusively chartered, Five-Star ZAMBEZI QUEEN, featuring only 14 beautifully appointed Staterooms, each with a private balcony. During your classic land safari aboard four-wheel-drive vehicles, enjoy superb game viewing in seldom-visited Botswana, a sanctuary for nearly all of the southern African mammal species.

Follow Mandela’s “long road to freedom” from Soweto to Robben Island, on to Johannesburg and the presidency of South Africa, “the rainbow nation.” Hear the unique insights of our special guest speaker, founder of the Liliesleaf Farm Trust. Savor glorious Cape Town, poised dramatically between Table Mountain and the sparkling waters of Table Bay. Revel in spectacular seaside views and South Africa’s sublime Cape Winelands, featuring visits to world-class wineries for specially arranged wine tastings and their distinct Cape Dutch architecture. Also enjoy an exclusive C'est Boy! CULINARY TRADITIONS Cape Malay cooking demonstration and traditional dinner.

Come join us on this unique journey to these must-see southern African destinations, a tremendous value visiting three UNESCO World Heritage sites and staying in carefully selected Five-Star hotels, including Johannesburg’s exclusive Grand Chateau Suites at the FAIRLAWNS BOUTIQUE HOTEL, Cape Town’s historic BELMOND MOUNT NELSON HOTEL and Zimbabwe’s legendary colonial VICTORIA FALLS HOTEL. Reserve your place now for this unforgettable experience while Early Booking Savings are still available, as space is limited and sells out quickly!

Johannesburg, South Africa/Soweto/Pretoria

“A world in one country,” South Africa is perhaps the most diverse, multifaceted country on Earth. Cosmopolitan Johannesburg, known colloquially as “Joburg,” is home to one of the world’s largest urban forests, where amid some of the tallest buildings on the continent, more than six million trees flourish in the pleasant subtropical highland climate. The city has been a fast-paced center of commerce and opportunity ever since European prospectors settled here upon the discovery of its gold reef in 1886.

Cover photo: The water level at Victoria Falls varies throughout the year; during the dry season it is possible to walk across parts of the falls, but at peak levels the water flows at over 132,000 gallons per minute.

Photo this page: Table Mountain, the most iconic landmark of South Africa, reaches 3563 feet above sea level and supports over 2200 species of plants, making a spectacular backdrop to Cape Town and its stunning harbor.

“Education is the most powerful weapon you can use to change the world.”
—Nelson Mandela
Few places reflect South Africa’s history like Johannesburg’s once-infamous South Western Townships, better known as Soweto. No longer a shantytown of segregated goldmine workers, this thriving community, pivotal in the anti-apartheid movement, endures as a broad cross section of South African daily life—from shack settlements to a rising middle class to millionaires. Its Vilakazi Street even fostered two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu.

Commence your journey in the footsteps of Mandela in Soweto. Visit his house and the Hector Pieterson Memorial, an iconic symbol of the historic 1976 apartheid protests. Tour the evocative exhibits in Johannesburg’s Apartheid Museum, and visit historic Liliesleaf Farm, once the epicenter of the liberation movement and a refuge for its leaders and today a museum and world-famous cultural heritage site.

North of Johannesburg is the vibrant capital city of Pretoria, known for its diverse architecture, purple-blossomed jacaranda trees and distinctly Afrikaans culture. See the Union Buildings and the formal garden where Mandela gave his historic presidential inauguration speech (1994). Visit the Voortrekker Monument, built to honor the mid-19th-century Dutch Voortrekkers (pioneers), who emigrated from the Cape Colony to the inland highveld.

Enjoy the Welcome Dinner featuring special guest speaker Nicholas Wolpe, founder and CEO of the Liliesleaf Farm Trust. Wolpe will share an insider’s perspective on the historic events surrounding Liliesleaf and the African National Congress (ANC).

Seek out Africa’s “Big Five” wildlife species, including leopard, during a game drive in Chobe National Park.

Cape Town/Robben Island

South Africa’s “Garden City” of Cape Town is one of the world’s most beautiful cities, adjacent to the UNESCO World Heritage Cape Floral Kingdom, which sustains over 4000 plant species, majestic Table Mountain National Park, and the world-class Cape Winelands. Founded by the Dutch East India Company as a supply station, today Cape Town is a vibrant, cosmopolitan capital city of meticulously preserved Edwardian and Victorian buildings with outstanding examples of Cape Dutch architecture. Ascend Table Mountain by cable car (weather permitting) for sweeping city and coastal views, and ride a funicular up to lofty Cape Point. See the historic City Hall, where Mandela made his first public speech just hours after his release from prison, and visit Boulders Beach in Simon’s Town for a rare, up-close look at a protected colony of endangered African penguins nesting in sand burrows.

Tour Robben Island prison, a UNESCO World Heritage site, where Mandela and other political prisoners made strides in attaining equal rights during apartheid despite the inhumane conditions they experienced. The prison’s storied interior provides an invaluable perspective on South Africa’s social and political transformation.

In a private home in Cape Town’s Bo-Kaap township, savor the aromatic spices of traditional Cape Malay cuisine—a unique fusion of South African, Dutch and Malaysian flavors—during an intimate, specially arranged "C'est Bon! CULINARY TRADITIONS" dinner. Experience the extraordinary Cape Winelands along the world-renowned Stellenbosch Wine Route.

Observe the unique symbiosis between species in this unspoiled ecosystem.
During a visit to the historic Vergelegen Cape Dutch Manor House, founded in 1700, enjoy a private tasting of the region’s signature Pinotage red wine. Stroll through its picturesque formal gardens underneath the vast camphor laurel trees, planted in 1705, which constitute a protected provincial heritage site. Then, enjoy a specially arranged lunch with wine pairings at Boschendal, one of the oldest wine estates in South Africa, founded in 1685 and once owned by Cecil Rhodes. Located in the picturesque Drakenstein Valley between the Drakenstein and Simonsberg mountains, the rolling vineyards at Boschendal are planted with five different types of grape.

**Chobe National Park, Botswana**

Comprised of lush floodplains, marshland and dense mahogany and teak woodland, northern Botswana’s vast, diverse Chobe National Park is one of the last surviving wild areas on the continent, with a landscape reminiscent of the Africa known by explorer David Livingstone, author Karen Blixen and big game hunter Denys Finch Hatton. It is brimming with wildlife and especially so along the Chobe River, with water in plentiful supply year round. This park is home to one of the densest Kalahari elephant populations on the African continent (approximately 120,000) as well as lion, cheetah, leopard, zebra, impala, hyena, wildebeest, warthog, hippopotamus, crocodile, water buffalo and more than 450 bird species, including helmeted guinea fowl and red-billed wood hoopoes.

**Victoria Falls, Zimbabwe**

Walk the trail along the edge of thundering Victoria Falls, a UNESCO World Heritage site, one of the Seven Natural Wonders of the World and among the largest waterfalls on Earth. Here, the wide Zambezi River, after meandering through a basalt plateau, suddenly plummets into a 355-foot gorge, creating frothy rapids and vaulting a majestic, rainbow-hued mist almost 1000 feet into the air, lending this breathtaking cascade its local name, Mosi-oa-Tunya—“the smoke that thunders.” Scottish missionary and explorer David Livingstone was the first European to witness this extraordinary natural wonder in 1855 and named his discovery after Queen Victoria. See the impressive Victoria Falls Bridge, an engineering marvel that was designed and constructed in England and then transported to the Zambezi River gorge, where it was reassembled—all in only five years—becoming the only rail link between Zambia and Zimbabwe.

**MalaMala Private Game Reserve Pre-Program Option**

Experience of South Africa’s natural wonders in its largest private “Big Five” game reserve. Renowned for the quality of its leopard viewing, MalaMala is ideally nestled between the Sabi Sands Game Reserve and Kruger National Park. Spend two nights in the Five-Star MALAMALA MAIN CAMP along the banks of the Sand River.

**Botswana’s Khwai River Lodge Post-Program Option**

Extend your journey with two nights in the Five-Star BELMOND KHWAI RIVER LODGE featuring luxurious, air-conditioned, thatched-roof accommodations, each with a private outdoor porch offering incredible panoramic views. Enjoy morning and afternoon game drives in the Moremi Wildlife Reserve, and in the evenings, storytelling around a roaring bonfire and stargazing beneath the vast, twinkling night sky.

The Pre- and Post-Program Options are available at additional cost. Details will be provided with your reservation confirmation.

Board small excursion boats and encounter wildlife up close, like Kalahari elephant along the Chobe River.

The exclusively chartered, Five-Star ZAMBEZI QUEEN is a specially designed, stylish “floating lodge” built to navigate the Chobe River and provide a world-class, unique African river safari—offering extraordinary game-viewing opportunities distinctly different from a land safari—in one of the last great untouched places on Earth.

Local guides will lead you on impressive game-viewing river safaris aboard small, custom-built, private excursion boats. Visit a native village along the river to experience local culture firsthand.

Each of the 14 tastefully appointed, air-conditioned, spacious Staterooms (from 211 to 340 square feet) features floor-to-ceiling windows with a sliding glass door that opens onto a private balcony, one queen bed or two twin beds and private bathroom with shower. All accommodations offer remarkable opportunities for unobstructed viewing of wildlife—including elephant, giraffe, kudu, oryx and an incredible array of bird species—and river vistas from the comfort of your bedside.

Onboard dining features early-risers’ coffee, full buffet breakfast, buffet lunch and three-course dinner, including complimentary wine and beer with lunch and dinner, served daily in the spacious dining room with unobstructed views on three sides for game viewing as animals gather at the water’s edge. Regional cuisine is prepared by South African-trained culinary staff introducing local ingredients with an international flair.

Comfortable and classic contemporary public areas include a lounge, bar and open-air deck with plunge pool.

The ZAMBEZI QUEEN leaves no lasting footprint on the environment. It meets inland water safety standards and is specially designed to be environmentally sensitive with a water-jet propulsion system to prevent damage to the riverbed. It is fuel-efficient with low-emission generators and has solar-heated hot water and an onboard water purification system. There is no doctor on board the ship.
