SECTION IV - SUPPLEMENTAL NOTES			
Based on our successful last year, we took a risk and increased our dues mailing and additional programming. In particular, we focused on supporting admissions efforts - which were a big hit with our members (and parents)			
We made a pledge at the beginning of the year to double the amount of \$ contributed by our members to the club scholarship fund. We had enough extra \$ from increased revenue that this was not a problem.			
Andrew Wong '02 worked with outgoing treasurer Andrea Phillips '93 to ensure a successful transition - she was a great help from Miami. Andrew finished out FY16 in transition mode and worked hard during FY17 to establish a finance committee, which has 3 board member on it.
