Dartmouth College  
Recognizes With Deep Appreciation  
The Extraordinary Achievements of

**The Class of 1979**

Recipient of the 2010-2011

**Special Recognition**

**In Recognition of an Outstanding Mini-Reunion Program**

The Mini-Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini-reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

In honor of your outstanding 79<sup>th</sup> Night of The Year celebration, gathering over 100 classmates in 10 cities, the Mini-Reunion Chairs Association is proud to recognize the class of 1979 with this special recognition award. The Class Night Celebrations are one of the great mini-reunion programs, allowing classmates from across the country to both connect with classmates in their home towns and feel a larger connection to the class as a whole. The Class of 1979s 79<sup>th</sup> Night Celebration was a very well organized series of events to unite your class. Congratulations, well done!
