*Special Recognition for
65th Reunion Gift for Film Preservation*

The President and the Executive Committee of the Class of 1946 are recognized for their gift of \$44,430 given to the Dartmouth College Libraries on the occasion of the class' 65th reunion.

This gift will help restore and digitize archival Dartmouth College films in the library's collection that vividly portray college life from the 1920s to the 1950s. These movies, once restored, will be an invaluable resource for capturing and studying the history of the College, its architecture, fashion, transportation, sports, cultural norms and the history of ideas.

This is a reunion gift that will have a significant and lasting impact. The vision of the class leadership is to be commended for their vision and creativity.
