

IN PURSUIT OF EXCELLENCE

*Dartmouth College
Recognizes with Deep Appreciation
the Extraordinary Achievements of*

The Class of 1966

*Special Recognition for
the Far Reach and Broad Scope of their Class Project Portfolio*

The president and the Executive Committee of the Class of 1966 are recognized for their vision, leadership, and generosity to the greater Dartmouth community through their impressive and varied portfolio of eight separate class projects.

Through its projects, the class is assisting students, alumni, parents, and the greater Dartmouth community in ongoing and meaningful ways. From Dickey Center internships for students to the Class of 1966 Lodge, from the Memorial Field scoreboard to the Appalachian Trail Geocache, the Class of 1966 projects are one of a kind and encourage dialogue and participation in the life of the College.

Not to be forgotten, a key project for the Class and the Community is the 1966 webcam. Located on top of the Hanover Inn for a decade — and with a new camera as of October 2010 — the webcam brings the welcome site of the bonfire, snow sculptures, foliage, and even the price of gas on Main Street to thousands of Dartmouth friends who are far from the Upper Valley.

The Class of 1966 is to be congratulated. Through its generosity the class is looking beyond itself and sharing the Dartmouth experience with a broad family.
