Dear Alumni, Family, and Friends of Dartmouth,

Travel with us on a memorable 14-day tour to encounter some of the world’s most exotic locales and wildlife. Visit Zimbabwe’s spectacular Victoria Falls and embark on safaris in Botswana’s Chobe National Park and Zambia’s remote Lower Zambezi National Park. Professor Dirk Vandewalle of Dartmouth College will enrich our tour of southern Africa with lectures and commentary.

Begin in Johannesburg with a full day of touring Soweto, including a visit to the home of Nelson Mandela (now a museum). Following a flight to Victoria Falls, view the thundering waters and take a game drive to spot the endangered black rhino. Next, see sensational wildlife at Chobe National Park, boasting one of the largest concentrations of elephants in all of Africa. Finally, your travel takes you to Zambia for animal viewing at pristine Lower Zambezi National Park with open-vehicle game drives and guided canoe trips. An optional 4-day/3-night post-tour extension to cosmopolitan Cape Town is also available.

With space for only 24 guests, we expect this exclusive Dartmouth tour to fill quickly. Please call today to reserve your place on this memorable tour of Africa!

Sincerely,

Robin K. Albing, Tu’81  Patrick Bedard

Responsibility
The liability of Dartmouth Alumni Continuing Education & Travel, as sponsor, and Odysseys Unlimited, Inc., as tour operator, is strictly limited. Odysseys Unlimited, Inc. purchases transportation, hotel accommodations, and restaurant and other services from independent suppliers not under our control. We serve only as agents for these suppliers in securing tour arrangements, and therefore will not accept responsibility for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, or of their employees, agents, servants, or representatives. Dartmouth Alumni Continuing Education & Travel and Odysseys Unlimited, Inc. are not liable for injury, damage, loss, accident, or delay that may be caused by events not within our control, including, without limitation, acts of terrorism, war, strikes, the defect of any vehicle, or the negligence or default of any third party. All coupons, receipts, and tickets issued are subject to the terms and conditions specified by the air carriers, cruise lines, and other independent suppliers. We will make every effort to operate our tours as planned, but we reserve the right to make itinerary changes as necessary. If unforeseen circumstances require us to change a hotel, we will select alternative accommodations of the same or better quality.

Health and Medical Issues
We request that you be in good health to participate in this tour. There is a reasonable amount of walking, and you must be able to get on and off motorcoaches, safari vehicles, and boats on your own. We regret that we cannot offer individual assistance; in such cases you must be accompanied by a companion who will assist you. Please note that many of our tour itineraries, for reasons beyond our control, do not accommodate wheelchairs. Please call or e-mail us to inquire and we will do our best to answer any questions you may have. We reserve the right to remove anyone whose physical or mental condition, in our opinion, compromises the operation of the tour or detracts from the enjoyment or safety of the other passengers. In that event, Dartmouth Alumni Continuing Education & Travel and Odysseys Unlimited, Inc. assume no financial responsibility for any unused portion of the tour.

Air Transportation – Important Information
Odysseys Unlimited, Inc. includes in its tour price round-trip economy air from designated gateway cities as shown, and contracts with those airlines the company feels provide the level of service, routings, and value necessary for your entire trip. While another airline may offer a more direct connection, it may be at a price unavailable at the lower group rates. You will receive your preliminary air schedule approximately 2½ months prior to departure. Please note that seat assignment on your international flight is usually done at airport check-in. Odysseys Unlimited, Inc. is unable to guarantee any seat assignments. Due to the nature of tour operator tickets, other restrictions apply, including, but not limited to, frequent flyer mileage accrual, stopovers, alternate travel dates, upgrades, and airline taxes and fees. If you prefer to make your own travel arrangements, Land Only is available on most tours. Since international and domestic air schedules are subject to change at any time, we recommend that if you choose to make your own airline reservations, you do not purchase non-refundable tickets or those with high penalties for changes. If you choose to make your own air arrangements, Odysseys Unlimited, Inc. shall not have any liability for any loss resulting from cancellation of this tour or changes in this tour.

embark on a game-viewing boat safari on the Chobe River, where we may see hippo, crocs, some of the park's 450 species of birds (including the sacred ibis, carmine bee-eaters, fish eagle, and kingfishers), and perhaps a beautiful Chobe sunset. We dine tonight at our lodge. \textit{B,L,D}

Day 8: Chobe National Park  Known for its diverse terrain that attracts an exceptional array of wildlife – including the world's largest elephant population (some 120,000), along with zebra, lion, giraffe, impala, wildebeest, and buffalo – Chobe covers 7,270 square miles of protected parkland. We'll see a portion of this natural wonder on our early morning game drive and this afternoon's boat safari. And this evening perhaps we'll see one of the sublime sunsets for which Chobe is known. \textit{B,L,D}

Day 9: Chobe National Park  We’re settling into a comfortable routine, with early morning and late afternoon game drives. In between game-viewing activities, we’re at leisure to enjoy the amenities of our lodge on the banks of the Chobe River, adjacent to the park itself. \textit{B,L,D}

Day 10: Chobe National Park/Lower Zambezi National Park, Zambia  This morning we board a privately chartered plane for the 1½-hour flight to Lower Zambezi National Park, Zambia’s newest reserve (since 1983) and, as the former private sanctuary of Zambia's president, the least developed. Here in one of Africa's last stretches of pristine wilderness we have the chance to get closer to the animals than anywhere else. Late afternoon we engage in some of the lodge's game-viewing activities that include open-vehicle game drives, guided canoe trips, bush walks, and boat safaris. \textit{B,L,D}

Day 11: Lower Zambezi National Park  A day of game-viewing activities in this 1,600-square-mile park on the southern end of Zambia known for its 100-strong elephant herds, unusually large prides

Known as the “Smoke that Thunders,” Victoria Falls is one of the wonders of the natural world.
