THE LEGACY OF EMPIRES

Experience the diverse cultural legacy of Malta, Sicily and Italy originating over 7000 years ago and shaped by their strategic location between Europe and Africa and the seemingly endless roll call of empires who vied for control of their ancient coasts. Malta has held a strong connection to Italy and Sicily since A.D. 60, when a shipwrecked St. Paul brought Christianity by happenstance to the tiny archipelago. Perhaps none were more influential than the Crusader-era Knights of St. John who settled on Malta in 1530 and remained for almost 300 years, while artisans, designers and craftsmen came to Malta from Italy, Sicily and Greece to build castles, cathedrals and the extraordinary capital city of Valletta. On Sicily, traces of the Italians, Greeks, Goths, Moors, Normans, Castilians, Turks, Jesuits, Spanish and French are imprinted on the spectacular landscape and etched into ancient architecture, from Grecian temples and mosaic-adorned Roman villas to Norman palaces and medieval churches. The timeless beauty and mystique of these history-laden lands beckon you today just as they once lured explorers, artists and powerful rulers.

This UNESCO World Heritage site, former seat of the Roman Empire, today is the historic heart of Italy. From the iconic Colosseum and the Vatican to the Spanish Steps and the Catacombs, the treasures of ancient Rome continue to astonish modern visitors.

Sorrento

An outpost of the ancient Roman Republic, today Sorrento is one of the most scenic towns in Italy, the gateway to Mt. Vesuvius and the ancient ruins of Pompeii. This quaint seaside town of rose-flushed buildings was built into picturesque cliffs high above the Tyrrhenian Sea and, as the world's limoncello capital, is abundant with fragrant lemon and orange groves.

Pompeii

Discovered and excavated 17 centuries after the tephra of Mt. Vesuvius engulfed Pompeii in A.D. 79, the incredibly well-preserved ruins are today a UNESCO World Heritage site. The walking tour provides an intimate look into the daily rituals of Roman life during the reign of Emperor Titus. See the house of the wealthy Vetti family, and the extraordinary amphitheater and Temple of Jupiter.

Amalfi Coast

Italy's spectacular UNESCO World Heritage-designated Amalfi Coast is legendary for its natural splendor and dramatic cliffs dotted with secluded villages, opulent villas and sun-kissed beaches epitomizing the allure of the Italian Mediterranean seaside. Enjoy time on your own in the lovely village of Positano—frequented by Picasso, Toscanini and Bernstein, and popularized by John Steinbeck.

Isle of Capri

Legend has it that along the stunning shores of Capri, Homer's Odysseus resisted the alluring call of the sirens. Enjoy this captivating island at your own pace.

Stromboli, Aeolian Islands
