TANZANIA WILDLIFE SAFARI

Orbridge

Ngorongoro Crater, the Serengeti
and the Great Migration

Dear Alumni, Family, and Friends of Dartmouth,

Join us on a transformative wildlife safari through the heart of East Africa, the backdrop to the year-round migration of grazing herbivores that traverse the Serengeti Plains. Exploration is rewarded with insight, and every experience provides memories that resonate over a lifetime.

With exceptional access to Tanzania's game parks during this epic 12-day journey, you'll witness spectacular wildlife, colorful local traditions and the endless sun-drenched savannas of Tanzania. Along the way, marvel at three of the Seven Natural Wonders of Africa: the iconic silhouette of Mt. Kilimanjaro, its snow-capped peak standing majestically above the African landscape; the extraordinary Ngorongoro Crater, a vast volcanic caldera teeming with diverse wildlife within its natural enclosure; and the awe-inspiring Great Migration, where thousands of wildebeests and zebras thunder across the plains in one of nature's greatest spectacles.

Trekking with expert naturalist guides in 4x4 Land Cruisers through breathtaking terrain, it's possible to encounter the Big Five (lions, leopards, elephants, rhinos and buffaloes) plus cheetahs, wildebeests, zebras, primates, gazelles and countless species of birds.

As each day's adventures draw to a close, retreat to the lap of luxury in premium lodges and tented camps, each offering exceptional hospitality and superior amenities—ensuring your comfort after exhilarating days.

Space is limited to just 24 guests. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly. To reserve, visit dartmouth.orbridge.com or call (866) 639-0079.

Warmly,

Days 3-4 **TARANGIRE NATIONAL PARK (B,L,D daily)** Following breakfast and a welcome briefing by your Orbridge Expedition Leader depart for Tarangire National Park for two full days of exploration. Tarangire National Park is known for its iconic baobab trees, sweeping savannas and abundant pachyderm population. This seasonal park has the second highest concentration of wildlife (after the Serengeti), including diverse habitats of dry open woodlands, thorny Acacia thickets, rolling hills, rocky outcrops and extensive swamps. Daily morning and afternoon game drives provide your introduction to Africa's natural beauty, power and wonder. Tarangire reportedly has the largest elephant concentration in the world during the dry season. Also a birder's paradise, the park hosts hundreds of bird species—the highest of any in Tanzania. Between game drives gather for a bush lunch inside the park with time to recount exciting animal sightings and share photographs before setting off again in the afternoon. In the evenings retreat to lodging inside the park.

Day 6 **NGORONGORO CRATER (B,L,D)** Explore Ngorongoro Crater, a UNESCO World Heritage Site and one of the seven natural wonders of Africa. The largest intact caldera in the world, this once giant volcano shelters an astonishing diversity of wildlife. During a full-day game drive, spot for the Big Five as well as an array of other species like wildebeest and flamingos. This area is also the best place in East Africa to spot the rare black rhino.
Overnight: Ngorongoro Serena Safari Lodge

Days 7-8 **OLDUVAI GORGE • SERENGETI NATIONAL PARK – SERONERA VALLEY (B,L,D daily)** Glimpse into the origins of humanity at Olduvai Gorge. Daily morning and afternoon game drives through awe-inspiring landscapes offer exhilarating opportunities to witness a plethora of grazing animals.
Overnight: Serengeti Serena Safari Lodge

Days 9-10 **SERENGETI NATIONAL PARK (B,L,D daily)** Continue your journey deeper into the Serengeti where vast open savannas, woodlands and seasonal floodplains create an ever-changing landscape teeming with wildlife. Tonight gather together during a festive bush dinner to reflect upon this meaningful time spent among the many wonders of the Serengeti.
Overnight: Kirawira Serena Camp

Day 11 **SERENGETI • FLIGHT TO ARUSHA • DEPART FOR U.S. (B,L)** Take the short, scenic flight back to Arusha. Relax in a day room at the hotel until your transfer to the airport this evening for flights home.

What Dartmouth Guests Are Saying...

Orbridge did a great job of setting the itinerary. The guides were very knowledgeable and they kept our transfers/baggage handling as pain free as possible. We were very pleased with the whole experience. Our primary expedition leader was excellent. He was organized, interactive, knowledgeable and fun to be with. We enjoyed interacting with all of our guides. They truly wanted us to have a great experience.

~Diane H.

On Dartmouth Alumni Travel programs, we plan to send a faculty leader along to deliver talks that enhance the educational content of the trip with their own research and expertise. At this time, we have not yet confirmed a Dartmouth faculty leader for this program but will inform registered travelers and update our website when we do. All Dartmouth faculty leaders share a love of teaching and travel that make these journeys intellectually rewarding and fun experiences!
