Day 1 | Depart Home City

Depart for Lisbon, Portugal.

Day 2 | Lisbon, Portugal | Embark

Arrive at Lisbon International Airport in Lisbon. Those arriving early will transfer to a group hospitality room at a Lisbon hotel. After lunch on your own at the hotel or nearby, you will then travel with the group to embark the deluxe World Voyager. Those arriving later will transfer directly to the port for embarkation.

Day 3 | Leixões | Porto

Watch for stunning views over breakfast as we spend the morning cruising toward Leixões for a day of discovery. Renowned for its port wine, Porto has been occupied by humans since the 8th century B.C., when excavations show evidence of a Phoenician trading settlement. Situated high on a hill over the Douro River, this ancient city has been occupied by the Romans, Visigoths, Normans, and Moors over the centuries. Porto is designated as a UNESCO World Heritage Site for its Romanesque monuments, medieval old town, and Stock Exchange.

Disembark for your chosen excursion.

Traveler's Choice | Choose ONE of the following included excursions:

Wine Tasting with Port and Cheese. Savor the famous wine that Porto is known for with a tasting of port paired with cheese, hosted by a local purveyor with more than 200 years of history. (Mild)

Medieval Monuments of Porto. See some of Porto's most famous medieval structures on a tour that includes the 19th-century Stock Exchange Palace — a grand building with British Neoclassical and Palladian influences. Inside you will find elaborate paintings, sculptures, and décor of the period. (Moderate)

Day 4 | La Coruña, Spain | Santiago de Compostela

Wake this morning to breakfast on board and stunning views as the ship arrives in the historic Spanish port city of La Coruña for an excursion to Santiago de Compostela. Disembark after lunch for an excursion to Santiago de Compostela.

Santiago de Compostela. Located in the autonomous region of Galicia, UNESCO-inscribed Santiago de Compostela

has been a world-renowned pilgrimage site since the 9th century when a light was seen shining over a forgotten Roman tomb believed to be that of St. James the Great, one of Jesus' apostles. Following the Camino de Santiago pathway, Christians soon began to descend on the area to repent for their sins and visit the tomb. Santiago de Compostela's spectacular old town is filled with Romanesque, Gothic, and Baroque monuments, all surrounding the Romanesque cathedral where the tomb is located. Your immersion into Santiago de Compostela begins with a guided walking tour to the city center at the Plaza de Obradoiro square, where you may admire the splendid Palacio de Rajoy. From there, you will visit the hallowed sanctuary of Spain's patron saint — a legendary cathedral that holds the remains of St. James. Marvel at the ornate blend of styles on its interior, ranging from Romanesque to Baroque, as well as the site's unique features. See the silver urn that contains St. James' ashes and the ancient Portico de la Gloria entry to the cathedral — a famous masterpiece by 12th-century European sculptor Master Mateo. (Mild)

Return to the ship for dinner on board this evening.

Day 5 | Santander for Bilbao

Enjoy breakfast on board and attend a lecture this morning as the ship cruises to Santander, where you will disembark after lunch for an afternoon excursion to Bilbao.

A member of the UNESCO Creative Cities Network, the ancient port city of Bilbao has become famous for its cultural transformation and innovations in architecture, interior design, and fashion. The once-gritty city has become one of Spain's most popular destinations. Frank Gehry's titanium-clad Guggenheim Museum is credited for ushering in Bilbao's cultural renaissance while modernist marvels from Santiago Calatrava and Philippe Starck redefined the post-industrial skyline.

Traveler's Choice | Choose ONE of the following included excursions:

Spectacular Galleries of the Guggenheim Museum and Tour of Bilbao. Walk the galleries and explore the legendary Guggenheim Museum at your own pace, followed by a city tour to see some of Bilbao's most iconic landmarks. (Moderate)

Today the ship arrives in Cherbourg, where you will disembark with Featured Guest Speaker Dwight David Eisenhower II, grandson of President Dwight D. Eisenhower, for a special tour of the historic Normandy beaches, site

of the largest seaborne invasion in history.
