Dear Alumni, Parents, and Friends of Dartmouth,

Explore the rich cultural, historical, and political landscapes of Cuba through AHI Travel’s exclusive program, The Afro-Cuban Experience. This unique trip, developed in collaboration with Dartmouth’s People-to-People program, offers an unparalleled opportunity to immerse yourself in the island’s vibrant culture and history.

The Afro-Cuban Experience is designed to offer a comprehensive and immersive experience of Cuban culture and history. From the capital city of Havana to the scenic beauty of the Camagüey province, you will have the chance to explore Cuba’s diverse history and its unique blend of African, European, and indigenous influences.

Our program is led by Professor Kimberly Juanita Brown, Associate Professor of English and Creative Writing at Dartmouth College. Professor Brown is a scholar and writer with a deep passion for the study of African American literature and visual culture. Her research focuses on the intersection of African American art and visual culture, with a particular emphasis on the role of photography in shaping cultural identity.

Professor Brown’s expertise will guide you through this once-in-a-lifetime experience, providing insights into the rich history and culture of Cuba. You will have the opportunity to interact with Cuban artists, musicians, writers, and community leaders, gaining a deeper understanding of the island’s social and cultural dynamics.

The Afro-Cuban Experience is offered from April 25 to May 2, 2025, with limited availability for a group of up to 12 travelers. Your total trip cost is $1,295, which includes airfare, hotel accommodations, sightseeing, and meals.

To reserve your spot, please visit https://dart.alumni.dartmouth.edu/destinations/1877A?schoolId=45. For more information or assistance, contact Dartmouth’s Office of Foreign Affairs at 800-323-7373 or alumni.dartmouth.edu/travel.

This program is open to all alumni, parents, and friends of Dartmouth College.

Sincerely,

Kimberly Juanita Brown
