

VOLUNTEER OFFICER EXPERIENCE

Communities Executive Council recognizes

Dartmouth Club of Long Island

for revitalizing a dormant club that had stagnated during Covid, engaging new members in leadership positions, restarting the fundamentals necessary to the club's operation, conducting outreach to members through a survey to identify specific needs and interests of the community, and hosting several well-attended functions throughout the year.

Carolyn Gray Kimberlin

**Assistant Vice President,
Alumni Relations**

Ali Ward '92

President, CEC

Todd Golden '06

Vice President, CEC
