Dartmouth College  
Recognizes With Deep Appreciation  
The Extraordinary Achievements of

**The Class of 1992**

Recipient of the 2011-2012  
**Donald C. Smith '53 Award**  
**In Recognition of an Outstanding Mini Reunion Program**

The Mini Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

It is therefore our honor and pleasure to recognize and thank the Class of 1992 for an outstanding mini reunion program during 2011-2012. What a great year! We are extremely proud of the depth and breadth of your mini reunion program. You organized 22 mini reunions, in fifteen different cities, with an awe-inspiring 309 classmates attending. Your creative events included:

Aires/Sing Off Viewing Party  
MLK Service Events in multiple cities  
Lorax Viewing Party  
92 Day celebration both virtually and in multiple cities  
Cocktail hours following Club events in multiple cities  
First time events in Seattle and St. Louis!

Congratulations on a highly successful year, and we look forward to seeing this strong tradition continue, bringing together Dartmouth classmates all across the country and the world.
