*Dartmouth College
Recognizes With Deep Appreciation
The Extraordinary Achievements of*

The Class of 1959
*Special Recognition for
An Outstanding Mini Reunion Program*

The Mini Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

In honor of your extraordinary class trip to Guatemala in May, 2012 the Mini Reunion Chairs Association is proud to recognize the Class of 1959 with this Special Recognition award. Twenty five classmates flew from across the country for this unforgettable event, a ten day trip to Guatemala. The trip included stops in Tikal National Park, a Mayan Cathedral, volcanoes, local marketplaces and villages, and for some classmates, an extended trip to Honduras. For raising the bar for all mini reunions, the Mini Reunion Chairs Association is proud to recognize the Class of 1959 with this Special Recognition Award.
