**The Class of 1989**  
*Special Recognition for  
An Outstanding Mini Reunion Program*

The Mini Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

In honor of your creative and innovative "Virtual Pong Tournament" the Mini Reunion Chairs Association is proud to recognize the Class of 1989 with this Special Recognition award. Thirty-four classmates took part in this cyberspace infused game of skill and precision which was live streamed via Skype from New York, Boston and Los Angeles. For breaking the mold and bringing modern day technology to a Dartmouth Classic we salute you. Congratulations and great work!
