

2019 Student Staff Price List

Head and Assistant Workers, Head and Assistant Bartenders

Head and Assistant Workers

- **One head worker will be assigned to each class.** We try to hire only head workers who have prior reunion experience.
- Workers will manage your reunion registration, check event venue setups, run class errands and perform other duties as assigned.
- The head worker will schedule and oversee assistant workers.
- The number of assistant workers varies by class and is determined by class size and reunion program.
- Head and assistant workers may be under 21 years of age.
- All workers will be assigned in spring.
- Number of workers assigned are subject to change depending on projected attendance numbers.

Assistant Worker Tips	<p>≈ \$150-\$200 (per assistant worker)</p>	<ul style="list-style-type: none"> ▪ Actual tips depend on your level of satisfaction with assistant worker(s). ▪ The tip should be distributed to each worker individually (in cash) on the final day of the reunion.

Head and Assistant Bartenders

- **One head bartender will be assigned to each class.**
- All bartenders will be 21+ years of age and trained to serve alcohol according to NH state laws and within the guidelines of the College.
- Approximately 2-3 bartenders will be hired for every 150 people (depending on age of alumni group).
- Bartenders will set up the bar(s) before the event, serve for the duration of the event, and tear down at the end of each shift.
- On site, bartenders will work to ensure you have enough ice to chill the beverages being served. Reunion Chairs will work with Advancement Events in the spring to determine ice needs.
- **Each class is still responsible for purchasing their own alcohol and supplies.**
- All bartenders will be assigned in spring.
- Number of bartenders assigned are subject to change depending on projected attendance numbers.

Head Bartender	<p>50th, 25th - \$660 55th, 60th, 30th - \$620 5th - 20th, 35th - 45th - \$475</p>	<ul style="list-style-type: none"> ▪ Each class will be assigned one head bartender. ▪ Cost includes training, certification, meals and housing. ▪ This charge will be included in the final College invoice; student wages are paid through the College.
