A voyage aboard the Exclusively Chartered Small Ship
Five-Star Le Soléal
July 13 to 20, 2019
Explore. Discover. Learn.
Dear Alumni, Parents, and Friends:

Explore cobalt-blue glaciers, towering mountains, untouched coastlines and abundant wildlife as they unfold around you in an immense panorama on this exceptional Five-Star cruise of Alaska’s glaciers and the Inside Passage—the last of the great American frontiers.

This specially designed itinerary uniquely combines Five-Star accommodations with exploration-style travel as you cruise from Vancouver, British Columbia, to Juneau, Alaska, under the lingering glow of the long days of summer. Exclusively chartered for this voyage, the Five-Star small ship Le Soleal is ideal for traversing narrow fjords and isolated coves inaccessible to larger ships, while carefully navigating through the marine ecosystem. Experience the unforgettable scenery of southeastern Alaska and Northwestern Pacific Canada and thrilling wildlife up-close—from observation decks, during Zodiac excursions and from the comfort of elegantly appointed Suites and Staterooms, most with a private balcony.

Call at archetypal Alaskan towns, including colorful Ketchikan, rich in Alaskan art and tradition; off-the-beaten-path Petersburg, the region’s “Little Norway”; and historic Sitka, a cultural fusion of Tlingit and Russian heritage. Cruise the majestic Misty Fjords and Tracy Arm Fjord, a seascape of plunging waterfalls and serrated peaks, to the face of the monumental Dawes and South Sawyer Glaciers. Glide through the serene Inside Passage and into remote inlets in search of harbor seals, porpoises, sea lions, sea otters and eagles.

Begin your voyage in cosmopolitan Vancouver for a Pre-Cruise Option to see British Columbia’s most vibrant city. Complement your cruise with the Denali Post-Cruise Option, where you will travel deep into Alaska’s Interior to explore Denali National Park, see the tallest peak in North America and visit the former frontier trading post of Fairbanks.

You will not want to miss the boundless splendor of Alaska! This popular program is an excellent value with the finest accommodations and the ideal itinerary, so book now while space and Early Booking Savings are available.

Exploring the Inside Passage

Shaped by the Ice Age and sheltered from the Pacific Ocean by one thousand miles of islands lining North America’s Pacific coast, the Inside Passage embodies untamed Alaska with magnificent glaciers, snowcapped mountains and a wilderness with more spectacular beauty than you could imagine. Stand on the deck of your Five-Star small ship as you cruise the protected coves and inlets of serene, deep blue waters. Watch for wildlife: bald eagles, harbor seals, humpback whales and brown bears. Experience the thunderous calving of the Dawes and South Sawyer Glaciers, venture into the heart of narrow Tracy Arm and Endicott Arm and explore the Passage’s hidden treasures—secluded Inian Island and seldom-visited Elfin Cove. Along the way, encounter the indigenous culture of the Tlingit; onion-domed churches built by Russian fur traders, hearty fishing villages, trading outposts settled by American pioneers and the gold rush settlements built over a century ago.

Vancouver, British Columbia
Dynamic Vancouver, British Columbia’s largest city, is the cultural and financial heart of Canada’s Pacific Northwest.

Cruising the Inside Passage
Aboard our Five-Star ship, experience the fabled Inside Passage, one of the most scenic waterways in the world, cruising amidst countless islands, thickly blanketed forests, hidden bays and coves, sandy beaches and lofty waterfalls flowing from mountain cliffs. Be on deck to watch for cavorting sea lions and breaching orcas in the deep waters and brown bears, Sitka black-tailed deer, mountain goats, beavers, mink, foxes and river otters roaming the shores and mountainsides.

Misty Fjords National Monument, Alaska
Enjoy the rare opportunity to cruise the serene glacier-sculpted inlets of Misty Fjords, an American treasure harboring awe-inspiring scenery and wildlife. Observe the running streams flowing through stands of evergreens that merge into mighty waterfalls plunging down 3000-foot-tall, near-vertical, granite-faced cliffs. (Weather and sea conditions permitting.)

Ketchikan
In the colorful fishing town of Ketchikan,
“salmon capital of the world,” stroll the gold rush-era boardwalks of Creek Street and watch spawning salmon swimming upstream through the middle of town along the well-known “Salmon Ladder.” See the fascinating art of Potlatch Totem Park, where a master craftsman demonstrates the ancient technique of hand-carving a totem pole.

**LeConte Bay**
Cruise into the mouth of LeConte Bay, where the protected waters form a natural refuge for harbor seals from predators.

From aboard Zodiacs, watch for mother seals and pups sunning themselves on icebergs. This bay is the terminus of LeConte Glacier, North America’s southernmost tidewater glacier that frequently calves icebergs.

**Petersburg**
Known as “the town that fish built” and settled along the peaceful Wrangell Narrows by late-19th century Norwegian fishermen, the charming village of Petersburg is filled with the traditional rosemåling design on its walkways, storefronts and architecture. Enjoy exceptional vistas of Frederick Sound, summer home to a significant humpback whale population.

**Sitka**
Nestled on the edge of Baranof Island, stunning Sitka is laden with the art and history of its aboriginal and Russian past. First settled by the Kiks.ádi clan of the Tlingit, the town flourished as a Russian fur trading hub until its 1867 transfer to the United States. Visit the Alaska Raptor Center, Alaska’s foremost bald eagle habitat, where more than 100 injured eagles are rehabilitated and released into the wild each year.

Explore the rich Tlingit culture while conversing with local artisans in Sitka.

Watch for migrating humpback whales frequenting Elfin Cove, teeming with halibut, salmon and rockfish.
National Historical Park, where trails are lined with towering totem poles, a lasting memorial to an ancient artform. Marvel at the priceless collection of icons in the onion-domed St. Michael's Cathedral, North America's first Russian Orthodox church.

**Point Adolphus/Inian Islands/Elfin Cove**

From the vantage point of your small ship, search for humpback whales feeding in the nutrient-rich waters of Point Adolphus while cruising through Icy Strait to Inian Island, where unspoiled tidal waters teem with marine life. Aboard Zodiaks, watch for sea lions hunting and bald eagles swooping, drawn by the abundance of salmon. Explore pristine Chichagof Island, where you will go ashore to visit the small fishing community of Elfin Cove. With only 20 permanent residents and situated across from Glacier Bay National Park, this hamlet comes alive in summer, attracting commercial and sport fishing enthusiasts. Walk along the boardwalks, surrounded by the Tongass National Forest's majestic conifers and the scent of cedar and spruce.

**Tracy Arm Fjord/South Sawyer Glacier/Endicott Arm Fjord/Dawes Glacier**

Cruise into the deep and narrow fjord of Tracy Arm, where waterfalls cascade from dramatic bluffs, spruce and hemlock forests fade to grooved sheer rock and icebergs glint in the sunlight. At the remote end of Tracy Arm, listen to ice calving off South Sawyer Glacier and watch as the ice become floating platforms for hundreds of harbor seals. Venture to the colbalt-blue edge of Dawes Glacier aboard Zodiaks in the pristine Endicott Arm Fjord, and look for Arctic terns, pigeon guillemots and mountain goats.

**Juneau, Alaska**

The Alaskan state capital, accessible only by air or sea, picturesque Juneau is where the Call of the Wild author Jack London set forth to join the Klondike Gold Rush in 1897. Disembark and continue on the Denali Post-Cruise Option or to your return flight home.

**Vancouver • Victoria Pre-Cruise Option**

Surrounded by water on three sides, Vancouver is the coastal jewel of the Pacific Northwest. British Columbia’s largest city, Vancouver’s vibrant cosmopolitan atmosphere—rich in art and culture gleaned from the indigenous people of the Pacific Northwest and Alaska—forms a spectacular city. Visit Vancouver Island and famous Butchart Gardens. Tour elegant Victoria, a former British Empire port that still retains a charming English accent as well as wonderfully restored 19th-century architecture. In Vancouver, see historic Chinatown, famous Stanley Park and the 19th-century Gastown District, and then explore the Public Market and native artisans’ studios at Granville Island. Accommodations for two nights are in the deluxe Westin Bayshore hotel. The Pre-Cruise Option is available at additional cost. Details will be provided with your reservation confirmation.

Discover Vancouver’s fascinating cultural diversity in the foothills of the North Shore Mountains.
