ISLANDS OF THE AZORES:

FADO MUSIC TO FIN WHALES

10 DAYS / 9 NIGHTS | APRIL 18-27, 2023

ABOARD *NATIONAL GEOGRAPHIC ENDURANCE*

Travel with confidence. We encourage you to view the Health & Safety protocols currently in effect. Scan the QR code, or visit **bit.ly/3HHcXs2**.

DEAR ALUMNI, FAMILY, AND FRIENDS OF DARTMOUTH,

Far off the coast of Portugal, there exists a whale-watcher's paradise in the shape of a wild archipelago full of natural beauty. From volcanic mountains and abundant vineyards that have been designated a UNESCO World Heritage Site to a welcoming community steeped in tradition, world-class cuisine, and fado music, there is a whole world waiting to be explored on our *Islands of the Azores: Fado Music to Fin Whales* expedition.

We invite you to join us on an unforgettable exploration of the Azores aboard the 126-guest *National Geographic Endurance*. On this immersive 10-day voyage, you'll experience the wild wonders that these enchanting isles have to offer—from breathtaking towering basalt peaks to emerald green rolling hills.

Your platform for adventure, *National Geographic Endurance*, is the new standard in expedition ships. Thanks to full stabilization and powerful wave-slicing action, she ensures an extremely smooth ride in any conditions and offers luxurious accommodations, wellness activities, and incredible dining. Experience unrivaled encounters with the natural beauty and dramatic landscapes under the warm glow of golden Portuguese light from the comfort of your cabin, on our ample deck space, or in one of our many enclosed community spaces. Be on deck as we round the islands to see pods of fin whales surfacing alongside us, and get up close to it all with our fleet of Zodiacs, kayaks, and undersea video equipment.

Don't miss exceptional educational and cultural discovery on our *Islands of the Azores: Fado Music to Fin Whales* expedition April 18-27, 2023. **To reserve your space, please return the reservation form or call our group representative at Lindblad Expeditions toll free at 888-773-9007.**

Sincerely,

Robin Albing Tu'81
Director, Alumni Lifelong Learning
& Advancement Special Projects

Alicia V. Wright, Ph.D.
Assistant Director, Alumni Lifelong Learning

LINDBLAD EXPEDITIONS IS PROUD TO BE AWARDED:

#1 SMALL SHIP CRUISE LINE

Ship's registry: Bahamas

DISCOVER THE MAGIC AMONG THE ISLES OF THE AZORES

Twin Crater Lakes, Azores.

Towering basalt peaks, bubbling hot springs, nutrient-rich waters, emerald green farmlands, and the fascinating history of the explorers, whalers, and farmers who called these remote islands home—this is just a sample of the beauty and vitality you'll discover as we explore the Portuguese archipelago of the Azores. All born from volcanoes, each island has a unique landscape and piece of history that we'll uncover as we explore these remote gems. Experience the warmth and hospitality of the locals as they share a glimpse into their island life with traditional dishes, world-class wine and cheese tastings, and fado music. It's an unforgettable perspective, and it's available uniquely on this intimate, fully-equipped vessel.

JOURNEY TO A WHALE WATCHING MECCA

Sperm whale head-lunging with jaws open.

April is one of the best months to see the 20 different whale species that pass through these waters on their annual migrations. With the help of some of the best whale spotters in the world, search for fin, blue, sei, and pilot whales, just to name a few. Learn the stories of explorers, whalers, and conquerers who all had a part in weaving the tapestry of island history. Experience the commitment the locals have to sustainable growth and protecting the natural beauty and ecosystems of the archipelago.

Opposite page (clockwise from top): Sperm whale starts a deep dive - Pico island, Azores; Ponta de São Lourenço, Madeira, Portugal; Portuguese windmill; Risso's Dolphin - (Grampus griseus).

YOUR BASE FOR ADVENTURE

Sauna with glass walls for soaking in million-dollar views.

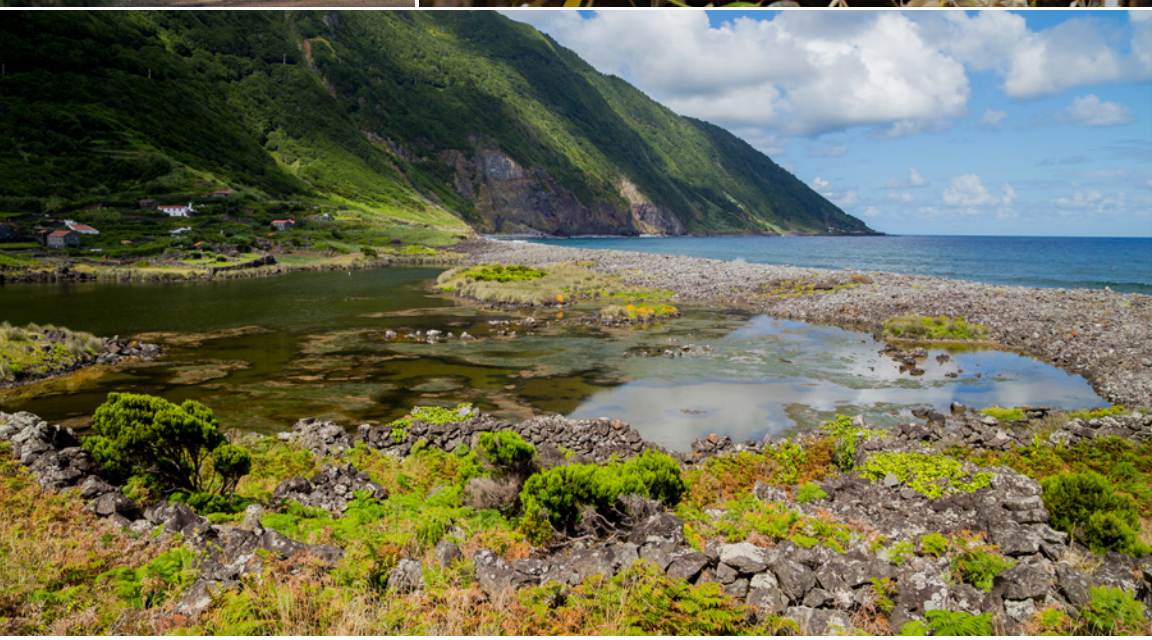
National Geographic Endurance is a ship distinctly suited for a European expedition, as it is nimble yet grand in its design ethos. With a striking, distinct profile, this ship was crafted to ensure the smoothest, most comfortable ride by eliminating bow impact (thus being less disruptive to its marine environs, as well). Carrying just 126 guests, experience our commitment to expedition excellence over scale. Scandinavian-inflected and luxuriously appointed, her inviting interiors could be a destination within themselves, featuring state-of-the-art amenities, from wellness programs and spa treatments to luxury dining options. Because she is a Lindblad expedition ship, however, her attention is focused on the world outside—with acres of window glass to keep you connected to the stunning views beyond the pane, and a fleet of expedition tools to get you out exploring the seldom-visited islands of the Azores archipelago.

EQUIPPED FOR EXTRAORDINARY EXPLORATION

The *National Geographic Endurance* is packed with best-in-class gear to help you fully immerse yourself in the beauty that surrounds you. A fleet of Zodiacs lets you cruise around remote inlets and right up to towering cliffs—where larger ships can't reach—or hop on a kayak for individual exploration of stunning wildlife-rich bays. Plus, our onboard undersea specialist will maneuver a Remotely Operated Vehicle (ROV) and underwater video camera to reveal the marine world and intricate ecosystem just below the surface.

The stunning cliffs of Ponta da Barca, Graciosa Island.

Opposite page (clockwise from top): Professionally-curated library; Fado guitarist plays a Portuguese guitar; Angra do Heroismo, Terceira island; expansive studio for yoga and stretch sessions; innovative glass igloo allows you to take in nature any time.

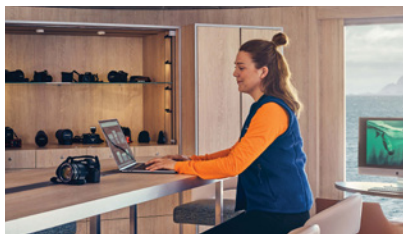


TRAVEL WITH AN A+ EXPEDITION TEAM

Explore remote islands and inlets via Zodiac.

An exceptional expedition team is key to your in-depth experience. You'll travel with a veteran expedition leader and several naturalists—who know and share their knowledge of the intricate geology and fascinating history of the archipelago. An undersea specialist will unveil the creatures that thrive between the isles, and an on-duty wildlife spotter is always ready to alert guests of noteworthy sightings. A wellness specialist is available for relaxing spa treatments. And rounding out the team is a video chronicler who will record every moment of the expedition and create a special video of your adventure.

SHOOT EXPERT PHOTOS UNDER PERFECT GOLDEN LIGHT



Learn about local flora and fauna in the science hub.

From stunning sunrises dotted with whales breaching the ocean's surface to steep green mountains covered in wild flora and fauna, capture memories that will live on long after your trip comes to an end. On every Lindblad expedition, you have the benefit of a certified photo instructor at your side. They can help you with anything from camera settings to the basics of composition. Now, every guest—from smartphone camera users to advanced hobbyists—can learn from skilled photographers, pick up tips of the trade, and take home incredible photos.

Dive into the onboard OM System Gear Locker to field test new lenses, camera bodies, and more—free. Plus, ask about pre-voyage discounts and benefits.

Opposite page (clockwise from top): farmer and cows; two bridled terns kissing; Faja of Caldeira de Santo Cristo, São Jorge Island, Azores; thermal springs in Furnas Valley, Azores; Azores chaffinch, subspecies of common chaffinch.

ISLANDS OF THE AZORES: FADO MUSIC TO FIN WHALES

10 DAYS/9 NIGHTS—ABOARD *NATIONAL GEOGRAPHIC ENDURANCE*

São Jorge Island

Sail among the Old World islands in the wake of the world's great explorers, learning of their discoveries—and having plenty of your own. Balmy ocean breezes and dramatic island archipelagos, with extraordinary island geology. Flexibility is a hallmark of our expeditions, so no two trips are ever exactly the same. Our day-to-day itinerary may change as we choose to take advantage of a unique opportunity, but rest assured, your expert expedition team will guide you over stunning peaks, enchanting vistas, and wildlife-rich waters to ensure your most authentic discovery of the Azores over 10 days.

DAYS 1-2: U.S./SÃO MIGUEL, AZORES, PORTUGAL/EMBARK

Fly overnight to Ponta Delgada on the island of São Miguel in the Azores, where we embark on *National Geographic Endurance*. (Day 2: L,D)

DAY 3: PICO

Named after the long dormant volcano, Ponta do Pico, Pico is known as the "mountain island" and is the tallest peak on the Atlantic Ridge. This morning we set off to explore this beautiful island with a notorious history of whaling and wine. Explore Lajes do Pico, once believed to be the most important whaling village in the islands. Visit the Whalers' Museum, Museu do Baleeiros, to learn about the importance the industry had to the island. Then travel on to the wine region, where the lava stone corrals have been painstakingly converted to vineyards and are now considered a UNESCO World Heritage Site. The day would not be complete without a tasting of these very special wines. (B,L,D)

DAY 4: FAIAL

Today, we will search for whales in the channel north of Pico and Horta islands, joined by a researcher from the Biology Department of Azores University. Once ashore on the island of Faial, we head to Capelinhos, where we can see how the 1957 volcanic eruptions dramatically changed the landscape. Farms and villages were covered with ash, adding an extra two square kilometers of land to the island. Later, stroll along the marina, visit the excellent scrimshaw museum, and raise a glass at legendary pub Peter Café Sport. This evening enjoy a very special musical performance of the achingly beautiful Fado. The genre may trace its roots to Portugal, but the islands have made it their own. (B,L,D)

DAY 5: SÃO JORGE

This morning visit São Jorge, an impressive mix of imposing sea cliffs and fajãs—coastal plateaus formed from the lava flows. The fertile soil has created one of the greenest and naturally beautiful islands in the archipelago. With trails that crisscross the ridge and beaches, hike to Caldeira de Santo Cristo Lake, known

for its clams; visit the small villages perched on the fajãs; explore the coffee and tea plantations; and take part in a tasting of the world-renowned São Jorge cheese.

As we set sail in the afternoon, be on deck with your binoculars to spot nesting seabirds, Risso's dolphins, or passing whales on our way to Fajã dos Cubres and Fajã de Santo Cristo. Designated as "Wetland of International Importance", we'll go ashore by Zodiac to explore these secluded bays. (B,L,D)

DAY 6: GRACIOSA

This "gracious" island has been designated a UNESCO Biosphere Reserve for the balance they have achieved between the preservation of the geography and sustainable human development. The colors of the farmland and vineyards create a beautiful patchwork dotted with windmills. We will travel to the ancient village of Santa Cruz and the natural monument of Caldeira da Graciosa, where we'll explore a lava cave and underground lake. Later, you'll have time to stroll through the village of Praia, enjoy the sweet pastry/Queijadas da Graciosa, and soak up the tranquility of this quiet harbor. This afternoon enjoy Zodiac cruises and, weather permitting, kayaking in the secluded bays of Ilhéu da Praia, a small islet off the coast. This evening enjoy a presentation by a local historian that will help set the stage for our visit to Terceira and its rich past. (B,L,D)

DAY 7: TERCEIRA

Terceira was once a popular port of call for the ships carrying the wealth of the Americas and those trading with India, becoming the economic and religious center of the Azores. Depart on an exploration of the island; wind along the coastline and explore many of the historic villages—Porto Judeu, a small fishing village; Sao Sebastiao and its 15th century parish church; Altares with its quaint whitewashed houses. Head upland to Algar do Carvao, a huge lava tube and continue exploring as you stroll through the streets of Praia da Vitoria.

Alternatively, embark on a walking tour of UNESCO World Heritage Site, Angra do Heroismo. Step back in time with our local guides and see firsthand the indelible mark left by the ancient explorers, conquerors, and religious leaders. (B,L,D)

DAY 8: VILA DE PORTA, SANTA MARIA

Tap into the century's old expertise of our local whale guides as they lead us on our morning whale-watching expedition. In the afternoon, we go ashore at Santa Maria, historically significant as the first landfall of Christopher Columbus on his return from the Americas in 1493, and travel to the Chapel Nossa Senhora dos Anjos, where he attended his first mass upon his return. For those interested in getting some exercise, we will hike the Pico Alto-Baíia dos Anjos trail that will allow us to experience the breath-taking vistas and atmosphere of the island—making its way from Pico Alto, the highest point on the island, to the sea where we will observe marine birds in their azure surroundings. (B,L,D)

DAY 9: SÃO MIGUEL

Today we explore the Furnas Valley and its famed hot springs, hiking the trails, or perhaps visiting a tea plantation or the lovely garden of Terra Nostra. And, we will have a tasting of Azorean cuisine. Savor a traditional *cozido* lunch, naturally cooked from the volcanic activity—underground. For those who want a more "hands on" experience, join a local chef to create your own *cozido* lunch—visit the market for fresh ingredients; bury your creation, explore the valley while the thermal heat cooks your meal, and then enjoy your bounty! (B,L,D)

DAY 10: SÃO MIGUEL/DISEMBARK/U.S.

This morning we disembark and travel to Sete Cidades, a lovely village set amongst green and blue lakes. Enjoy exploring the lakes and village before we are treated to a traditional Azorean lunch. Transfer to the airport and homebound flights. (B,L)

NATIONAL GEOGRAPHIC ENDURANCE

CAPACITY: 69 outside cabins accommodating 126 guests.
REGISTRY: Bahamas. **OVERALL LENGTH:** 406 feet.

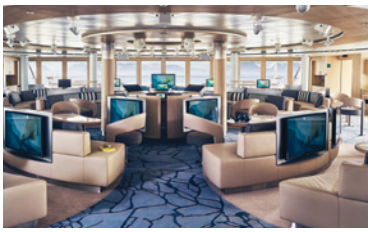
The first new polar build in Lindblad's 50-year history, *National Geographic Endurance* is named to honor explorer Ernest Shackleton and his legendary Transantarctic Expedition.

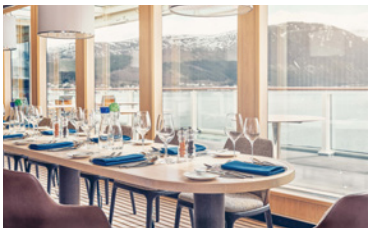
PUBLIC AREAS: Two restaurants; observation lounge with bar; gym; wellness area; infinity-style outdoor hot tubs; library main lounge with full service bar; 24-hour beverages; state-of-the-art facilities for films, slideshows and presentations, and a photo workshop area; plus, an expedition base with lockers for expedition gear; and an open Bridge for access to our Captain, officers, and the art of navigation.

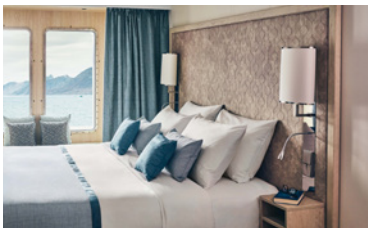
MEALS: Two restaurants featuring local, sustainable choices and unassigned seating for flexible, inclusive dining; plus, a Chef's table for intimate, small group dining. Main restaurant has 270° views, and the Observation Deck restaurant features lighter, made-to-order fare.

CABINS: All cabins face outside with large windows, private bathroom, and climate controls. Cabins are equipped with expedition command centers with iPad tablets, multiple electrical and USB outlets, TVs with on demand entertainment, phone, Wi-Fi, clock, barometers, hygrometers, vanity mirror, mini refrigerator, small safe, ice bucket, glasses, hair dryer, reading lights and National Geographic Atlas, luxury linens and pillows, and complimentary insulated water bottles. Bathrooms are outfitted with rain shower, hand-held shower, botanically inspired shampoo, conditioner, shower gel, and lotion. Balcony cabins have hammocks, chairs, and table.

EXPEDITION EQUIPMENT: Zodiac landing craft, kayaks, undersea specialist operating a remotely Operated Vehicle (ROV) and underwater video camera for unique access to the marine world, hydrophone, aerial remote-controlled camera, and video microscope.







Above: Circle of Truth in the lounge; dining at the Chef's Table; standard cabin.

SPECIAL FEATURES: *National Geographic Endurance* provides a "lab" for researchers needing to stretch grant dollars to get to key sites and do their vital work. Guests gain a front-row seat on ongoing science and connect with interesting researchers. A full-time doctor, undersea specialist, world-class photographer, certified photo instructor and video chronicler, an internet cafe, and laundry. Guests can enjoy two outdoor hot tubs and two igloos for relaxation.

WELLNESS: Wellness specialists provide spa treatments and a morning stretch, and facilities include a glass-enclosed yoga studio, gym, treatment rooms and spa relax area, and twin saunas with ocean views.

SUSTAINABILITY: Lindblad Expeditions takes responsible, sustainable travel to heart. For over 50 years, our expeditions have inspired travelers to protect the ocean, conserve wildlife, bolster local communities, and enable meaningful scientific research. We are 100% carbon neutral and dedicated to green business practices at every level of our operations. When you travel with us, you'll eat sustainable meals, experience our commitment to single-use plastic-free travel, and be aboard the industry's first self-disinfecting expedition ships, prioritizing your health and safety. Feel good about exploring with us and preserve the planet for future generations.

SPECIAL OFFER

BRING THE KIDS: Sharing an expedition with your kids or grandkids is a life-enhancing experience. Take $500 off the double occupancy price for each person under 18.

TERMS AND CONDITIONS

COSTS INCLUDE: Accommodations aboard ship; all meals and nonalcoholic beverages aboard ship; alcoholic beverages (except certain premium brands); shore excursions, sightseeing, special access permits, and entrance fees; transfers to/from airport if traveling on group flights; use of kayaks, paddleboards, and snorkeling gear; taxes, service charges, and gratuities; services of Lindblad Expeditions' natural history staff and a ship physician. Unused services or items included in this program are non-refundable.

NOT INCLUDED: Airfare; meals not indicated; passport and visa fees; travel protection plan; items of a personal nature such as alcoholic beverages, voyage chronicle, Wi-Fi access, and laundry.

AIRFARE: Airfare is an additional cost. Sample airfares are subject to change. Lindblad Expeditions will gladly assist in making your air arrangements for a $50 per person service charge.

RESERVATIONS: To confirm your place, an advance payment of US$1,000 per person is payable by check, Visa, MasterCard, American Express, or Discover. Receipt of advance payment indicates your acceptance of the terms and conditions.

FINAL PAYMENT: Due 120 days prior to departure. Lindblad Expeditions reserves the right to cancel your reservation if payment has not been received by final payment due date.

INSURANCE: Trip cancellation/interruption insurance is highly recommended and should be considered for your financial protection. Also important, especially if you are traveling internationally, is medical insurance and emergency medical evacuation coverage. A comprehensive package will be made available to you upon receipt of your initial deposit. Early purchase may provide coverage of preexisting medical problems.

ENTRY AND VISA REQUIREMENTS: Guests are advised to verify travel documents (passport/transit visa/entry visa) for the country through which they are transiting and/or entering. Reliable and most current information regarding international travel can be found by contacting the consulate/embassy of the country(s) you are visiting or transiting through. We will not be responsible if you are denied entry or transit into a country if you are unable to provide valid documents as per the country's requirement.

SMOKING AND VAPING POLICY: Allowed only in designated outdoor areas.

RESPONSIBILITY AND OTHER TERMS & CONDITIONS: Certain other provisions concerning, among other things, limitations of Lindblad Expeditions' and National Geographic Expeditions' (a division of National Geographic Partners, LLC) liability for loss of property, injury, illness, or death during the voyage will be provided to all guests on the ship's ticket sent prior to departure or upon request. By registering for a trip, the guest agrees to all such terms and conditions.

NOTE: Itineraries and prices listed in this brochure are as of publication date and are subject to change. Under normal conditions the total expedition price is guaranteed at the time of booking. However, our expedition pricing is determined far in advance of initial departure on the basis of then-existing projections of fuel and other costs. In the event of increases in those costs, including but not limited to increases in the price of fuel, currency fluctuations, increases in government taxes or levies, or increased security costs, we reserve the right to adjust the price of your expedition or add a surcharge to cover such unexpected increases. We will always provide an explanation of the reason for increase in costs.

CANCELLATION POLICY	
Number of Days Prior to Expedition Start	**Per Person Cancellation Fee**
180 or more days	$750
179-120 days	Advance payment cost
119-90 days	25% of trip cost
89-60 days	50% of trip cost
59-0 days	No refund
This policy applies to the voyage only. We strongly recommend that you purchase a travel protection plan.
