Explore. Discover. Learn.

Dear Alumni, Parents, and Friends:

The unspoiled coastlines and idyllic islands of the Adriatic, Aegean, and Ionian Seas are the crossroads of the Roman, Byzantine, and Venetian civilizations that flourished here for more than 3,000 years. Our exclusive itinerary reveals an extraordinary cultural legacy spanning five countries—Italy, Croatia, Albania, Montenegro, and Greece.

Begin your journey in Venice—originally known as *La Serenissima*, “the most serenely beautiful city”—where you will board the five-star, small ship LE JACQUES CARTIER, which features just 92 ocean-view suites and staterooms, each with a private balcony. Cruise along the Adriatic coast of the stunning region of Dalmatia and conclude in Athens, the cradle of Western civilization.

Call at ancient walled cities, medieval villages, sublime archaeological sites, picture-perfect islands, and stunning landscapes—including smaller, seldom-visited ports inaccessible to larger vessels. Visit six UNESCO World Heritage Sites, such as historical Split, with its fourth-century Palace of Diocletian; the seventh-century walled city of Dubrovnik; the dramatic, fjord-like Bay of Kotor; the elegant island capital of Corfu Town; and the historic Delphi and its iconic Doric columns.

Discover the hidden gems along the Dalmatian Coast as daily life unfolds before you. Enjoy our private, specially arranged lectures and the COASTAL LIFE® forum, featuring perspectives from local Montenegrin residents in Kotor. Joining us on this program are alumni from Harvard University, the University of Michigan, and Penn State University. Reserve now while early booking savings are still available.

She has served as a consultant to the International Monetary Fund and a frequent lecturer at the IMF Institute. She received her B.A. from Oberlin College and Ph.D. in economics from Princeton University.

The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

PROGRAM HIGHLIGHTS

Discover the Dalmatian Coast

The glorious Dalmatian Coast has a storied history that is entwined with the conquests of the Greeks and the Romans. The name "Dalmatia" appeared as early as the first century B.C., believed to have originated from an ancient Illyrian tribe known as *Delmatae*. The region fell under many rulers over the centuries and today is considered one of the most beautiful coastlines in the world. Its medieval cities and archaeological treasures have been infused with a cosmopolitan energy, inviting visitors to discover mysterious origins that span millennia. Among those enigmas is the tale of one of the earliest known depictions of a dog in an early 17th century painting found in a Dalmatia city—a breed the World Canine Association aptly designated as the Dalmatian.
