Cruise the awesome UNESCO World Heritage-designated Fiordland National Park and board Zodias for up-close views of nature’s sheer magnificence—glacier-cut fiords, cascading waterfalls, valleys hung with kapua whakapipi (cumulus clouds)—in spectacular Milford Sound, Dusky Sound and Doubtful Sound, named by Captain James Cook. Cruise pristine Queen Charlotte Sound and visit the world-famous Marlborough wine region for a specially arranged tasting of its acclaimed Sauvignon Blanc.

Enjoy the magnificent harbor city of Auckland and an adventure to the bucolic Northland country to learn more about the important national tradition of sheep farming. Experience the genuine and uniquely friendly nature of New Zealand “Kiwis” and the rich Maori culture while admiring the exceptional scenery simply everywhere.

This elegant and intimate small ship with only 92 Suites and Staterooms can cruise into small ports and sounds inaccessible to larger vessels and alter course for marine life sightings. The onboard team of expert naturalists will share their knowledge of New Zealand’s extraordinary natural beauty during Zodiac excursions and onboard lectures.

You can choose to participate in the specially designed pre-program extension to the dynamic world-class city of Sydney, Australia, or the post-program extension to New Zealand’s Southern Alps and remarkable Queenstown, further enhancing your journey.

This singular itinerary includes the rare opportunity to circumnavigate the South Island and captures the essence of New Zealand’s natural beauty, natural history and natural wonders. It is an outstanding value featuring specially negotiated, exclusive airfares at considerable cost savings. Reserve now as Early Booking Savings apply and space is limited.

Experience the natural wonder of each new day as it dawns first in Aotearoa (New Zealand), due to its proximity to the International Date Line.

Enjoy New Zealand’s natural history, from the verdant pastures of the Northland beyond Auckland on the North Island to the fiordlands at the tip of the South Island. Experience fantastic scenery—majestic glaciers, cavernous valleys, towering fiords, glacial lakes, rugged coastlines, snow-capped mountains and plummeting waterfalls. Visit the UNESCO World Heritage site of Te Wāhipounamu, encompassing 10% of the country and the world’s most intact ecosystem dating from prehistoric Gondwana. See southern beech trees and coniferous podocarps, some 800 years old. Look for kiwi, takahe, kea and Hector’s dolphin, all found only in New Zealand.

Less than a thousand years ago, Polynesians migrated here followed by Dutch, English and French explorers, all embracing the natural beauty of the islands and cultivating the rich volcanic soil. Immerse yourself in the unique Maori heritage and enjoy firsthand the friendly Kiwi culture—a distinctive merging of the tangata whenua (indigenous) and Pakeha (European) traditions.

| Southern Alps and the Remarkables Post-Program Option |

Auckland, North Island
The cosmopolitan “City of Sails,” built around two beautiful harbors, has a rich maritime history and more yachts per capita than anywhere else in the world. It is a showcase of natural splendor and a center of Maori cultural history. One of the best collections of Maori taonga (treasures) in the world is housed in the Auckland War Memorial Museum, where an authentic Maori haka ceremonial war dance, a tradition also performed by New Zealand’s world-renowned All Blacks rugby team, is arranged for our group.

Muriwai, Auckland District
Visit black-sand Muriwai Beach for spectacular views of the Tasman Sea. See the Muriwai Gannet Colony, one of only three mainland gannet colonies in New Zealand, and observe thousands of pairs of gannets tending to and protecting their chicks.

Meet friendly, local Kiwi and enjoy light refreshments at a family-run farmstead.
Northland District
New Zealand is home to over 27 million sheep, a ratio of six sheep for every person. Your introduction to the important agricultural tradition will be enhanced with a specially arranged sheep herding demonstration, highlighting the Huntaway sheep dog’s essential role in high country sheep station farming.

Near Matakana in the beautiful Northland, visit the playful open-air gardens and museum of the Sculptureum to see classic works by Cezanne, Chagall and Rodin along with whimsical, modern-day sculptures.

Christchurch, South Island
Known as “the most English city outside of England,” Christchurch—named after Christ Church College at Oxford University—is the oldest established city in New Zealand. Experience this vibrant city in transition, where the restoration of Victorian architecture recaptures the provincial charm of Britain as a renaissance of new structures emerges along the Avon River. Visit the New Zealand Heritage site of Mona Vale. See the late-19th-century homestead designed by J.C. Maddison, responsible for the English-inspired architecture in Christchurch.

Savor a taste of the Marlborough District’s world-famous Sauvignon Blanc.

Dunedin
Noted for its rich Scottish heritage, even having its own tartan, Dunedin is surrounded by dramatic, rolling hills with endless scenic vistas. See the Octagon—the eight-sided town center—and visit the grand, 1906 Flemish Baroque-influenced railway station, replete with 750,000 Royal Doulton porcelain tiles.

Admire Dunedin’s striking railway station, replete with 750,000 Royal Doulton porcelain tiles.

View the fascinating gannets in the Muriwai Gannet Colony, who often mate for life.

Enjoy a rare cruise of Doubtful Sound’s glacier-carved fiords and look for dolphins, fur seals and penguins.

Enjoy a guided tour of the gardens and fernery built to showcase the silver leaf fern in the 1907 New Zealand International Exhibition. See the prominent Cathedral Square, the heart of Christchurch.
Dunedin Railway Station, one of the most photographed railway stations in the world. Tour historic Olveston, the philanthropic Theomin family’s English country house. New Zealand’s only castle, Larnach (1871), was designed in Scotland then built atop a spectacular hill overlooking Otago Harbor. Enjoy a walk through its period rooms and magnificent, award-winning gardens.

**Milford Sound, Dusky Sound and Doubtful Sound / Fiordland National Park**

Maori legend credits the demigod Tu Te Raki Whanoa with creating Te Wähipounamu, today’s stunning UNESCO World Heritage-designated Fiordland National Park, comprised of ice-carved fiords, snow-topped mountains and deep valleys.

Enjoy a rare cruise into Dusky Sound, where sheer cliffs plunge into the sea and spectacular Doubtful Sound, the deepest of the fiords, where waterfalls cascade down steep, verdant slopes, misting into a sequence of rainbows. Legendary Milford Sound offers majestic scenery worthy of novelist Rudyard Kipling’s appellation, the “Eighth Wonder of the World.”

Explore this contrasting topography of Alpine peaks, rugged shores, virgin rainforests, plummeting waterfalls and pristine glaciers aboard Zodiacs guided by expert naturalists—the best way to view the rare flora and fauna of this incredibly biodiverse South Island. See impressive Mitre Peak, arguably one of the most photographed mountains in the country. Look for fur seals, dusky dolphins, Hector’s dolphins, the distinctive yellow crests of Fiordland penguins and the iconic, pear-shaped flightless kiwis.

**Queen Charlotte Sound**

Cruise the beautiful coves and islets of Queen Charlotte Sound, where Captain Cook anchored the HMS Endeavour in 1770. Look for spotted shags perched on rocks and the endangered Hector’s dolphin frolicking in nearby waves.

**Marlborough District**

The seaport of Picton serves as the gateway to the Marlborough District, New Zealand’s largest wine region and internationally acclaimed for its Sauvignon Blanc. Travel through the fertile Wairau Valley to Blenheim and enjoy a wine tasting and tour; the area has rich alluvial soil, creating a unique terroir ideal for wine making.

Tour the impressive Omaka Aviation Heritage Centre, home to a collection of authentic and replica World War I and II aircraft—many from the private collection of Sir Peter Jackson, director of the Lord of the Rings trilogy and the recently released documentary, They Shall Not Grow Old.

**Wellington, North Island**

Cross the Cook Strait to Wellington, the capital of New Zealand and a historic site for the proud Maori. See the city’s Parliament buildings including the distinctive “Beehive.” Tour the 19th-century Old St. Paul’s Cathedral, one of the finest examples of Gothic Revival architecture in the world. See where the U.S. flag (with 48 stars) hangs as a reminder of the importance this church held to U.S. soldiers stationed here during World War II. Enjoy spectacular views of Wellington and Cook Strait from the top of Mount Victoria; the South Island is visible on a clear day.

Visit Te Papa Tongarewa, Maori for “container of treasures,” the national Museum of New Zealand showcasing an impressive Maori art collection.

Experience the important tradition of sheep farming in New Zealand, home to over 27 million sheep, a ratio of six sheep to every person.
Introducing the extraordinary **Blue Eye**, the world’s first multisensory, underwater Observation Lounge. View the beauty of marine life through the large, subaquatic windows and integrated digital screens providing live images from underwater cameras, and enjoy the sensory experience of listening to the ocean’s unique underwater universe in the comfort of the exclusive **Blue Eye** lounge.*
