WILD ICELAND ESCAPE

6 DAYS / 5 NIGHTS | JULY 15-20, 2023

TRAVEL WITH DIRECTOR OF SUSTAINABILITY ROSI KERR ’98

ABOARD NATIONAL GEOGRAPHIC RESOLUTION
Travel with confidence. We encourage you to view the Health & Safety protocols currently in effect. Scan the QR code or visit bit.ly/3HHcXs2.
DEAR ALUMNI, FAMILY, AND FRIENDS OF DARTMOUTH,

We invite you to join us on a thrilling exploration of Iceland, the Land of Fire and Ice. Sail aboard the brand-new National Geographic Resolution on a compelling six-day voyage. Enhance your time in Iceland with a choice of optional extensions: spend more time exploring Reykjavik, the geologic wonder of the Snæfellsnes Peninsula, or venture farther into the northern region’s volcanic landscapes.

This island nation is renowned for its geological marvels and natural beauty, from hot springs and spouting geysers to lush, green landscapes and stark, imposing mountains. Hike or Zodiac cruise to the base of Dynjandi, a spectacular waterfall. Visit the isle of Heimaey to hike up to a volcanic crater for incredible views.

Iceland is also widely celebrated for its remarkably interesting people. You’ll have opportunities to spend time with some of them, as well as enjoy special performances by Icelandic musicians. Travel with a team of seasoned experts—an expedition leader, several naturalists, an undersea specialist—who will further illuminate all the things you’ll see and do. Plus, a professional photographer and a certified photo instructor will help you capture every thrilling moment of your experience.

The expedition ship National Geographic Resolution provides a welcoming home in the remote subarctic. Thanks to her agility and the skill of the Captain and officers, you can experience unrivaled encounters with beauty, wildness, and serenity in Iceland. Her 69 cabins are well appointed and relaxing, while her public spaces, with their expansive windows, maintain a dialogue with the sea and the scenery. The ship is equipped for exploring with a fleet of Zodiaks, undersea video equipment, and more, plus she fosters an intimate, learning-oriented environment.

Do give this extraordinary travel opportunity every consideration. And note that your bar tab and all tips to crew will be covered on this voyage. To reserve your space, please return the reservation form or call our group representative at Lindblad Expeditions toll free at 888-773-9007.

Sincerely,

Robin Albing Tu ’81
Director, Alumni Lifelong Learning
& Advancement Special Projects

Alicia V. Wright, Ph.D.
Assistant Director,
Alumni Lifelong Learning

Director of Sustainability Rosi Kerr ’98 aims to help transform Dartmouth into a global leader of sustainability scholarship, education and action. Rosi brings experience in community-based energy systems, energy markets, environmental nonprofits and organizational change to her role at Dartmouth. Rosi loves doing fun things with her kids, the far North, hiking, rowing, bikes (especially old ones) and cooking brunch.

Cover photo: Dynjandi Waterfalls, Westfjords, Iceland. © Andrew Peacock.
Opposite: Clockwise from top left: humpback whale tail; Iceland has the largest puffin population in the world; hiking is a popular way to explore the landscape around Seydisfjordur; National Geographic Resolution.
LAVA’S CREATIONS
See the world’s newest island—forged by a volcanic explosion in 1963—and walk on a crater where the earth is still hot.

RIVETING REYKJAVÍK
Visit the world’s northernmost capital. See its charming Old Town and Hallgrímskirkja Cathedral, learn about Norse culture at the National Museum, and take a soak in the iconic Blue Lagoon.

FJORD EXPLORER
Hike along the base of a fjord to spectacular Dynjandi, the largest waterfall in the Westfjords.

NATURE MEETS INDUSTRY
Tour an abandoned herring factory—once Iceland’s largest concrete structure—and marvel at Djúpavíkurfoss, the stunning waterfall that tumbles from a nearby cliff.
Sitting on both the Iceland hotspot and the Mid-Atlantic Ridge, Iceland hosts some of the most extreme geothermal activity on Earth. On your expedition, you’ll observe stunning manifestations of the region’s world-class geology: cascading waterfalls, ice-carved fjords, lush tundra, and lavascapes of unearthly beauty.

Traveling by ship gives you a unique perspective to witness these natural wonders and much more. Explore Iceland’s pristine fjords—accessible only from open water—and encounter evidence of volcanic activity as you hike over cooled lava fields to view Iceland’s newest isle, Surtsey. Discover the rich biodiversity of the remote Westfjords, watching for humpback and minke whales in the surrounding waters. Head ashore to explore centuries-old hamlets of picture-postcard charm that were accessible only by boat until the late 20th century. And be awed by the stellar coastal view of Iceland—a geological marvel as seen from the sea.

Then add on to your voyage with your choice of land-based extensions that delve even further into this remarkable land. Choose to soak in the surreal Blue Lagoon, discover Iceland’s stunning volcanic northeast, or go deep under-ground to explore a man-made cave of brilliant blue ice, plus so much more.
With a population of just over 300,000 people, Iceland has an outsized influence on global music. As fascination with the region has grown, Iceland’s musical reputation has played a part in the country’s tourism boom. Full of haunting melodies that capture the magic and mood of the Northern Lights, volcanic landscapes, and ancient sagas, Icelandic music reflects the region’s rich folk traditions for the contemporary world to discover. Ethnomusicologist Jacob Edgar has curated exceptional opportunities for you to meet and enjoy performances by some of the remarkable musicians—Ylja, Svavar Knútur, and others—at the forefront of Iceland’s music scene.
Iceland’s food is as unique as its landscape. Committed to sustainable seafood and regional produce, the culinary program aboard is rooted in the relationships developed with local farmers and providers. Enjoy fresh fish, seasonal produce, berries from coastal farms, and local craft beers—the food will open new windows on Iceland for you.

This thrilling expedition also offers chances to meet and travel with some fascinating Icelanders. Previous voyages have welcomed aboard individuals ranging from a former presidential candidate to a filmmaker and poet. Through conversation and exclusive presentations, you’ll deepen your understanding of the people and culture of this remarkable region.
THE PERFECT PLATFORM FOR EXPLORATION

The new 69-cabin National Geographic Resolution is the key to your unforgettable Iceland discovery. A fully stabilized and yacht-scaled vessel, the ship explores the northern latitudes in comfort and safety around every craggy coastline and up towering fjords. Her most striking exterior feature is her distinctive profile, the patented X-Bow®, a game-changing design that guarantees the smoothest, most comfortable ride in all kinds of conditions; and since it eliminates bow impact, a quieter ride, as well. An equally impressive feature may well be her capacity: she carries just 126 guests, a commitment to expedition excellence over scale. Scandinavian-inflected, luxuriously appointed, her inviting interiors would be a destination in themselves.

TRAVEL WITH AN A+ EXPEDITION TEAM

An exceptional expedition team is key to your in-depth experience. You’ll travel with a veteran expedition leader and several naturalists—some of whom specialize in geology—who return each year to share their knowledge with guests. An undersea specialist will reveal the surprising world beneath the waves, while a world-class photographer and certified photo instructor will offer tips on camera settings and composition on board as well as inspire and guide you to best capture the epic scenery and wildlife with your camera or smartphone. A wellness specialist and a video chronicler round out the team.

Thanks to our partnership with OM System (formerly Olympus), you can borrow top gear from the onboard OM System Photo Gear Locker and enjoy discounts as well!

Dive into the onboard OM System Photo Gear Locker to field test new lenses, camera bodies, and more—free. Plus, ask about pre-voyage discounts and benefits.

Opposite page (clockwise from top): Razorbills; certified photo instructor offers tips; guests enjoy a Zodiac tour.
Discover why Iceland is known as the Land of Fire and Ice on a voyage to the remote fjords and volcanic isles along the country’s western coast. Explore stark ice-sculpted landscapes. Set out by Zodiac to view towering cliffs teeming with nesting seabirds. Feel the legacy of Viking explorers as you visit remote, hard-to-reach coastal villages, where arriving by ship feels uniquely right. Then add on to your voyage with your choice of land-based extensions—for a truly one-of-a-kind Iceland experience.

DAYS 1-2: U.S./REYKJAVÍK, ICELAND/EMBARK
Depart on an overnight flight to Reykjavík, the world’s northernmost capital, which lies only a fraction below the Arctic Circle and receives just four hours of sunlight in winter and 22 in summer. Have a panoramic overview of Old Town, including Hallgrímskirkja Cathedral with its 210-foot tower, and perhaps shed some light on Nordic culture at the National Museum, with its Viking treasures, artifacts, and unusual whalebone carvings on display. Embark National Geographic Resolution (Day 2: L,D)

DAY 3: DJÚPAVÍK
Enjoy a leisurely morning, at sea learning about Iceland and its incredible diversity. We will spend the afternoon on the remote eastern side of the Westfjords to experience rural Iceland. This corner of Iceland is difficult to access and is seldom visited but boasts spectacular beauty and rich history. We will take advantage of the dramatic landscape of the fjord to offer hiking, leisurely explorations of the tundra, and perhaps photography of wildflowers. The tiny town of Djúpavík held its place on the map because of the golden age of herring. During its heyday in the 1930s its herring plant was the largest concrete structure in Iceland. The plant closed in 1954 but remains as a small museum and a memory of the rich productivity of the herring industry in Iceland. We'll visit the museum and learn about the significance of this resource to all of Iceland in the 20th century. (B,L,D)

DAY 4: ARNAFJÖRÐUR
In the early morning, our ship will glide into beautiful Arnafjörður along the northwest coast of Iceland. For a more active experience, disembark early and hike several miles along the base of the fjord to visit spectacular Dynjandi Waterfall. Alternatively, join our expedition staff on the bow of the ship as we venture even deeper into the fjord and then go ashore by Zodiac to walk up to the base of the waterfall, passing nesting arctic terns along the way. (B,L,D)
DAY 5: ISLANDS OF SURTSEY & HEIMAEY, WESTMAN ISLANDS
The Westman Islands were formed by undersea volcanoes between 5,000 and 10,000 years ago and are among the youngest of the world’s archipelagos. In 1973, Heimaey was threatened by lava flows that nearly closed off its harbor. Drive between the two volcanoes of the island, then visit the ruins of old Viking houses dating back to the year 900 A.D. Opt to hike up Eldfell volcano, formed during the 1973 eruption, and have amazing views of areas that were engulfed by lava. In some places the ground is still warm with thermal vents. Watch for nesting Atlantic puffins and gannets along the shores of the island. In 1963 the world witnessed on film the birth of its newest island, Surtsey—a newly designated UNESCO World Heritage Site—which we see as we cruise past the coast. (B,L,D)

DAY 6: REYKJAVÍK/DISEMBARK/HOME
Today we complete our voyage, disembarking in Reykjavík. Join us on your choice of two tours this morning: an excursion to see Iceland’s hot springs, beautiful Icelandic horses, and a fascinating power plant; or a visit to the Reykjanes GeoPark to view the Mid-Atlantic ridge above sea level and the nearby hot spring area. After lunch, transfer to the airport for flights home. Alternatively, join us for one of the optional post-voyage land extensions and continue your explorations of this amazing country! (B,L)

Optional Extensions:
DO MORE. ADD AN OPTIONAL ADVENTURE

REYKJAVÍK’S GOLDEN CIRCLE & BLUE LAGOON
PRE-VOYAGE: 1 DAY/1 NIGHT
From $1,830 per person*
Extend your stay in Reykjavik, the world’s northernmost capital. Enjoy the surreal Blue Lagoon and soak in its nutrient-rich waters. Continue along Iceland’s famed Golden Circle to discover remarkable geology at Pingvallir. Visit one of the most active geysers in the area, and then feel the icy spray of Gullfoss, one of the most impressive waterfalls in Europe.

SNAEFELLSNES PENINSULA
POST-VOYAGE: 3 DAYS/2 NIGHTS
From $3,690 per person*
Journey north of Reykjavik to discover the Snaefellsnes Peninsula—a melting pot of geology, history, and wildlife. Enter Langjökull Glacier’s aquamarine ice cave and venture inside Víðgelmir lava tube cave. Drive and walk parts of the coastline of the stunning Snaefellsnes National Park to see black pebble beaches, basalt sea stack columns, and perhaps a glimpse of the imposing Snæfellsjökull Mountain.

ICELAND’S VOLCANIC NORTHEAST
POST-VOYAGE: 3 DAYS/2 NIGHTS
From $3,780 per person*
Venture into the volcanic heart of the “Land of Fire and Ice” on an exploration of remarkable North Iceland. Discover Mývatn’s jagged lava fields, descend into a glacially carved canyon, and stand on the rim of a vast volcanic crater. Soak in the spray of Dettifoss waterfall—the largest waterfall by volume in all of Europe—and relax in two different geothermal hot springs after days packed with adventure.

*Pricing is per person based on double occupancy and excludes airfare.
CAPACITY: 126 guests in 69 outside cabins.
REGISTRY: Bahamas.
OVERALL LENGTH: 406 feet.

National Geographic Resolution is a next-generation expedition ship, purpose-built for polar navigation. Fully stabilized, highly strengthened, ice-class Polar Code PC5 (Category A) vessel, designed to navigate polar passages year-round and safely explore uncharted waters, while providing exceptional comfort. The patented X-Bow® is key to its design; its powerful wave-slicing action provides an extremely smooth ride even in adverse conditions, and reduces spray on deck for superior observation. It carries a full suite of expedition tools and offers a variety of experience enhancing amenities.

PUBLIC AREAS: Observation lounge with bar, three dining areas, gym, wellness area, infinity-style outdoor hot tubs, library, main lounge with full service bar, 24-hour beverage, state-of-the-art facilities for films, slideshows and presentations, and a photo workshop area; plus, an expedition base with lockers for expedition gear, and an open Bridge for access to our Captain, officers, and the art of navigation.

MEALS: Two restaurants featuring local, sustainable choices and unassigned seating for flexible, inclusive dining; plus, a Chef’s table for intimate, small group dining. Main restaurant has 270º views, and the Observation deck restaurant features lighter, made-to-order fare.

CABINS: All cabins face outside with large windows, private bathrooms, and climate controls. Cabins are equipped with expedition command centers with iPad tablets, multiple electrical and USB outlets, TVs with on demand entertainment, phone, Wi-Fi connections, clock, barometers, hygrometers, vanity mirror, mini refrigerator, small safe, ice bucket, glasses, hair dryer, reading lights, and an atlas, complimentary insulated water bottles, and luxury linens and pillows. Bathrooms are outfitted with rain showers and hand-held shower, botanically inspired shampoo, conditioner, shower gel, and lotion. Balcony cabins have hammocks, chairs, and a table.

EXPEDITION TOOLS: Zodiac landing craft, kayaks, snowshoes, cross-country skis, undersea specialist operating a Remotely Operated Vehicle (ROV) and underwater video camera for unique access to polar marine world, hydrophone, aerial remote-controlled camera, and video microscope.

SPECIAL FEATURES: A full-time doctor, undersea specialist, world-class photographer, certified photo instructor, video chronicler, an internet cafe, and laundry.

WELLNESS: The spa is staffed by our wellness specialists and features a glass-enclosed yoga studio, gym, treatment rooms, spa relax area, and high and low-heat saunas with ocean views.

SUSTAINABILITY: Lindblad Expeditions takes responsible, sustainable travel to heart. For over 50 years, our expeditions have inspired travelers to protect the ocean, conserve wildlife, bolster local communities, and enable meaningful scientific research. We are 100% carbon neutral and dedicated to green business practices at every level of our operations. When you travel with us, you’ll eat sustainable meals, experience our commitment to single-use plastic-free travel, and be aboard the industry’s first self-disinfecting expedition ships, prioritizing your health and safety. Feel good about exploring with us and preserve the planet for future generations.
COSTS ARE PER PERSON, DOUBLE OCCUPANCY UNLESS INDICATED AS SOLO.

**CATEGORY 1:**
Fore Deck with two large windows, alcove seating, relax chair #406, 408, 411, 413, 415

**CATEGORY 2:**
Fore Deck with two large windows, alcove seating, relax chair #410, 412, 414, 416-419, 421-427

**CATEGORY 3:**
Main Deck—Suite with balcony and sofa #512-524

**CATEGORY 4:**
Lounge Deck—Suite with balcony #604, 606, 609, 611

**CATEGORY 5:**
Bridge Deck—Suite with balcony and sofa #708, 709, 711, 713

**CATEGORY 6:**
Bridge Deck—Junior Balcony Suite with large balcony, sofa bed #710

**CATEGORY 7:**
Bridge Deck—Large Balcony Suite with large balcony, sofa bed, bathtub, walk-in closet #700-707, 712, 714-717

**CATEGORY A SOLO:**
Main Deck—Suite with balcony #504-510, 513

**CATEGORY B SOLO:**
Lounge Deck—Suite with balcony #604, 606, 609, 611

All cabins have: ability to set up as queen or two singles (except solo cabins, which are set up as one single), command center with docking for multiple devices, atlas, clock, barometer, TV, phone, digital tablet for onboard info, hair dryer, safe, refrigerator.

SPECIAL OFFER

BRING THE KIDS: Sharing an expedition with your kids or grandkids is a life-enhancing experience. Take $500 off the double occupancy price for each person under 18.

TERMS AND CONDITIONS

COSTS INCLUDE: All accommodations aboard ship; all meals and all beverages aboard ship (except certain super-premium brands of alcohol); shore excursions, sightseeing, and entrance fees; use of kayaks; special access permits; transfers to and from group flights; tips (including gratuities to the ship’s crew), taxes, and service charges; services of the ship physician and our expedition staff. Unused services or items included in the program are non-refundable.

NOT INCLUDED: Air transportation; extensions; passport, visa, immigration fees; meals not indicated; travel protection plan; items of a personal nature such as Wi-Fi access, voyage chronicle, laundry, etc.

AIRFARE: Airfare is an additional cost unless otherwise indicated. Sample international fares: Round-trip Newark, NJ/Keflavík: Economy from $550, Business from $1,890. Fares subject to change. Lindblad will assist in making your air arrangements for a $50 per person service fee.

RESERVATIONS: To confirm your place, an advance payment of US$750 per person is required at time of reservation and is payable by check, Visa, MasterCard, American Express, or Discover.

FINAL PAYMENT: Due no later than 120 days prior to departure. Lindblad Expeditions reserves the right to cancel your reservation if payment has not been received by final payment due date.

TRAVEL PROTECTION PLAN: Travel and medical insurance are available at an additional cost. Information will be sent to you by Dartmouth Alumni Association upon registration.

SMOKING AND VAPING POLICY: Allowed only in designated outdoor areas.

ENTRY AND VISA REQUIREMENTS: All guests are advised to verify travel documents (passport/transit visa/entry visa) for the country through which they are transiting and/or entering. Reliable and most current information regarding international travel can be found by contacting the consulate/embassy of the country(s) you are visiting or transiting through. We will not be responsible if you are denied entry or transit into a country if you are unable to provide valid documents as per the country’s requirement.

RESPONSIBILITY AND OTHER TERMS & CONDITIONS: Certain other provisions concerning, among other things, limitations of Lindblad Expeditions’ and National Geographic Expeditions’ (a division of National Geographic Partners, LLC) liability for loss of property, injury, illness, or death during the voyage will be provided to all guests on the ship’s ticket sent prior to departure or upon request. By registering for a trip, the guest agrees to all such terms and conditions.

NOTE: Itineraries and prices listed in this brochure are as of publication date and are subject to change. Under normal conditions the total expedition price is guaranteed at the time of booking. However, the expedition pricing is determined far in advance of initial departure on the basis of then-existing projections of fuel and other costs. In the event of increases in those costs, including increases in the price of fuel, currency fluctuations, increases in government taxes or levies, or increased security costs, the right is reserved to adjust the price of your expedition or add a surcharge to cover such unexpected increases. We will always provide an explanation of the reason for increase in costs.
