Sail aboard the *National Geographic Explorer* on a compelling six-day voyage, and then choose to add on one of three optional land-based extensions for a truly one-of-a-kind expedition. Prepare to see and experience more of Iceland than you’ve ever imagined.

This island nation is renowned for its geological marvels and natural beauty, from hot springs and spouting geysers to lush, green landscapes and stark, imposing mountains. You’ll get up close to it all as you hike, Zodiac cruise, and more through the stunningly beautiful and incredibly varied landscapes. Behold towering cliffs, home to vast populations of seabirds, and search for killer whales, ringed seals, and other marine mammals from the ship’s deck. Hike or Zodiac cruise to the base of Dynjandi, a spectacular waterfall. Visit the isle of Heimaey to hike up to a volcanic crater for incredible views. And discover traditional Icelandic life in remote and picturesque towns.

Iceland is also widely celebrated for its remarkably interesting people. You’ll have opportunities to spend time with some of them, as well as enjoy special performances by Icelandic musicians. These unique encounters are sure to enrich your understanding of the region’s traditions. In addition, you’ll travel with a team of seasoned experts—an expedition leader, several naturalists, an undersea specialist—who will further illuminate all the things you’ll see and do. Plus, a professional photographer and a certified photo instructor will help you capture every thrilling moment of your experience.

Do give this extraordinary travel opportunity every consideration. And note that your bar tab and all tips to crew will be covered on this voyage. To reserve your space, please return the reservation form or call our group representative at Lindblad Expeditions toll free at 888-773-9007.

DISCOVER THE LAND OF FIRE & ICE

Sitting on both the Iceland hotspot and the Mid-Atlantic Ridge, Iceland hosts some of the most extreme geothermal activity on Earth. On your expedition, you’ll observe stunning manifestations of the region’s world-class geology: cascading waterfalls, ice-carved fjords, lush tundra, and lavascapes of unearthly beauty.

Traveling by ship gives you a unique perspective to witness these natural wonders and much more. Explore Iceland’s pristine fjords—accessible only from open water—and encounter evidence of volcanic activity as you hike over cooled lava fields to view Iceland’s newest isle, Surtsey. Discover the rich biodiversity of the remote Westfjords, spotting nesting puffins and gannets on the majestic Látrabjarg cliffs, and watching for humpback and minke whales in the surrounding waters. Head ashore to explore centuries-old hamlets of picture-postcard charm that were accessible only by boat until the late 20th century. And be awed by the stellar coastal view of Iceland—a geological marvel as seen from the sea.

Then add on to your voyage with your choice of land-based extensions that delve even further into this remarkable land. Choose to soak in the surreal Blue Lagoon, discover Iceland’s stunning volcanic northeast, or go deep underground to explore a man-made cave of brilliant blue ice, plus so much more.
With a population of just over 300,000 people, Iceland has an outsized influence on global music. As fascination with the region has grown, Iceland’s musical reputation has played a part in the country’s tourism boom. Full of haunting melodies that capture the magic and mood of the Northern Lights, volcanic landscapes, and ancient sagas, Icelandic music reflects the region’s rich folk traditions for the contemporary world to discover. Ethnomusicologist Jacob Edgar has curated exceptional opportunities for you to meet and enjoy performances by some of the remarkable musicians—Ylja, Svavar Knútur and others—at the forefront of Iceland’s music scene.
This thrilling expedition also offers chances to meet and travel with some fascinating Icelanders. Previous voyages have welcomed aboard individuals ranging from a former presidential candidate to a filmmaker and poet. Through conversation and exclusive presentations, you’ll deepen your understanding of the people and culture of this remarkable region.

Iceland’s food is as unique as its landscape. Committed to sustainable seafood and regional produce, the culinary program aboard ship is rooted in the relationships developed with local farmers and providers. Enjoy fresh fish, seasonal produce, berries from coastal farms, and local craft beers—the food will open new windows on Iceland for you.
